*PARENTS & GUARDIANS ARE ENCOURAGED TO ATTEND.

GENERAL INFORMATION

The online summer school program at Pathfinder Regional Voc. Tech. High School is designed to provide students with the opportunity to make up failing grades and gain credit needed for promotion or graduation, engage in personal enrichment, or to get a head start on the upcoming year. All courses offered follow the prescribed standards set within the Massachusetts curriculum frameworks.

PHILOSOPHY

Pathfinder's online summer school aims to address the basic skills, motivations, and work habits which help our students not only make up their lost credits, but also to become more successful, productive young adults. To meet this goal, students when attending help session will:

- Behave appropriately and stay on task on the computers.
- Work independently on their own curriculum.
- Progress quietly through the different stages of their assignments.
- Be respectful towards others.

ATTENDANCE POLICY

- Students must maintain progress by working approximately two hours per day per course (varies based on personal pacing).
- New students must attend a mandatory orientation on the first day of class (July 9) at Pathfinder.
- After orientation, students may come to school voluntarily to seek extra help from teachers, though we may *require* attendance at these help sessions by students who fall behind.
- Students must have a reliable internet connection.
- Students are expected to maintain academic honesty for all aspects of their course work.

PATHFINDER REGIONAL VOC. TECH. HIGH SCHOOL

ACADEMIC SUMMER SCHOOL JULY 8 - AUGUST 2, 2019

APPLICATIONS MUST BE RECEIVED BY JULY 6TH, 2018

240 SYKES ST
PALMER, MA 01069
PHONE: 413-283-9701
FAX: 413-284-0032

Mr. Daniel Whalley
Academic Director

Email: summerschool@pathfindertech.org

RULES OF THE BUILDING

The maintenance staff is very busy during the summer months preparing for the reopening of the school in the fall. Please adhere to the following rules:

- Only use designated bathrooms.
- While waiting for class to begin or for a ride home, you may congregate in the front lobby or in the front of the school. All other areas of the school are off limits.
- Be courteous to all people working in or visiting the school.
- Only clear water bottles are allowed in the classrooms or hallways.
- Student use of cell phones should be limited to emergencies only.

Smoking

Smoking is not allowed on the school grounds. On the first offense the student will receive a warning. On the second offense, the students will be expelled. **NO REFUND OR CREDIT FOR THE CLASS WILL BE GIVEN.**

Conduct

Student misconduct will not be tolerated. Major infractions, such as vandalism (of technology or other property) or harassment, will result in an immediate expulsion. A student who commits a minor infraction will meet with the Summer School Coordinator. On a second offense, the student will be expelled. Teachers are instructed to remove anyone from class who disrupts the learning process. Any student that is expelled will **NOT** receive a refund or credit for the class.

Final Grades

The final grade average is based on assignment, quiz, test, and (in some cases) essay scores. Final grades will not be issued until tuition has been paid in full. Pathfinder will forward grades to the sending school no later than August 17. Contact your student's school for their pass/fail status.
