

March 23, 2020

Dear Parents,

The Governor's announcement today mandating the closing of K-12 schools through the end of the academic year certainly raises many challenges for us as an educational community as it does for so many of our families.

First, we want to assure you that we will continue to deliver the quality, biblical education you expect from StoneBridge. We have already been amazed at how quickly our teachers have risen to the occasion, adapting their lesson plans to remote learning. As previously announced, distance learning will begin March 30. At present it would appear that distance learning may need to continue throughout the rest of the school year. Administrators and board leaders will convene next week to discuss plans going forward. The building may be closed, but no matter what, learning will continue.

Second, we ask for your patience and grace during these stressful and challenging times. We greatly covet your prayers as we seek answers for the questions many of you will have in the coming days.

Finally, we miss each one of you and miss seeing your children. Let us continue to keep our eyes fixed on Him, the author and finisher of our faith, and bear with one another in love and patience as Christ continually demonstrates toward us. We rejoice in knowing our God is still sovereign and trustworthy in all circumstances.

We look forward to the day we can all see each other in person again.

Sincerely,
