Support. Success. College.
Ukiah High School
Class of 2023

Ukiah Summer Academy

The Ukiah Summer Academy welcomes the Class of 2023 to Ukiah High School and the world of college beyond graduation. Teachers, counselors, administrators, staff, and current UHS students will orient new 9th graders to the possibilities that await them in their new high school experience and beyond.

Participants learn how involvement at Ukiah High School opens doorways to college and the future. Students who enter school understanding their school environment and their goals have

a more successful high school experience, a richer involvement in their education, and clearer direction for

Understand all aspects of UHS. Gain competitive advantage for college.

Familiarity. Success.

- Understand all aspects of the UHS community including: the arts, athletics, academics, vocational programs, and student activities.
- Meet the teachers, counselors, administrators you'll be working with over the next four years.
- Campus familiarity.
- Essential information regarding graduation requirements.
- Career activities to focus student four-year academic plans and extra-curricular involvement.

College. Goals.

- Understand the A-G requirements, from the basics through A.P. courses.
- Understand the four types of colleges.
- Gain knowledge about college costs and paying for college.
- Get to know your UHS counselor.
- Understand how to gain competitive advantage for college admissions and scholarships.
- Participate in college tours, last year's program included trips to U.C. Berkeley, CSU Humboldt, Sonoma State University, and Mendocino College.

Parents. Support.

- First day briefing for parents (8:10-8:30). Parents will be provided with an overview of the program and the schedule of events. This meeting also provides parents an opportunity to meet with the administration and school staff.
- Parent night – a summary of the program with presentations by students. Information on preparing for college and how to pay for it. Slide show of program highlights.
- Parents may join students for college tours.
