

# IT'S TIME TO PULL TOGETHER

## Let's Support the Llano Community

Our community and our Wimberley ISD family are full of heart. As we watch the devastating floods in Llano, the scenes are way too familiar. We very recently experienced the pain and heartache our Llano neighbors are suffering. Let's once again, show how we are Wimberley Strong and pull together as one community to help them recover and rebuild their lives.

### Here's what we can do:

- 1. Each campus is holding a collection drive for cash or gift cards (no checks please).*
- 2. Join us in Llano for our Varsity Football Game on Nov. 2, when we will present the donation to Llano ISD.*

We are so grateful for the support Llano ISD gave us when our community was devastated by the Memorial Day Flood. Thank you in advance for your generosity in helping pay it forward. Please direct any questions to [Linda Corbitt](#), WISD Central Office Specialist.
