MERIDIAN WORLD SCHOOL
INTRODUCTION

The Model Board Policies for Charter Schools is a series of publications by the Texas Charter Schools Association (TCSA). These publications are an educational tool for charter school leaders to aid in the operation and management of open-enrollment charter schools in Texas.

Overall Policy Framework

Each module in the Board Policy Series provides a summary of federal and state statutes, regulations, and related materials applicable to open enrollment charter schools. Citations to these materials are provided throughout the module and many contain a hyperlink so the actual statutory or regulatory provision can be accessed on the Internet. The summary is designated by the LEGAL AUTHORITY tab on the right edge of each page.

After the LEGAL AUTHORITY portion of the module you will find the model policy section designed to comply with current statutory and regulatory requirements described in the LEGAL AUTHORITY summaries. These policies are designated by the red CHARTER BOARD POLICY tab on the right edge of each page.

These are suggested policies to address the requirements set forth in this Module. Prior to adoption of the model policies by the Board of a charter school, each policy should be customized by including the school’s name and by tailoring the language, if appropriate, to fit the specific needs, culture and requirements of the school. TCSA recommends that the Board of a charter school consult with and obtain the advice of the school’s legal counsel in connection with adopting policies to comply with laws governing charter schools.

TCSA plans to update the Model Board Policies for Charter Schools after each Texas Legislative Session to reflect changes in applicable laws. We also will regularly and continually update the Policy Series when changes occur in state and federal case law and administration regulations that affect open enrollment charter schools. We encourage you to renew your subscription to the policy series each year to ensure that your school has the most recent laws and regulations.
