

Homework Help & Math Lab

2018-2019

Both are held every Monday, Tuesday, and Wednesday from 3:00pm-4:00pm.

- Math Lab is for students who need help with math only. All math lab classes are led by a teacher who specializes in math.
- Homework Help is for students who need help with ELA, History, Science or any other area of their homework.
- If you attend either session, you need to sign-in and stay for the entire hour unless signed out by an adult in the front office.
