

FORT HAMILTON HIGH SCHOOL

Kaye Houlihan, Principal

COMPREHENSIVE EDUCATIONAL PLAN GOALS 2018-2019

- Goal 1:** Students will demonstrate progress towards achieving NYS Standards on the ELA Regents with an 85% passing rate for Cohort 2019 by August 2019. Meeting this goal includes students with a qualifying score. The goal for Cohort 2019 is consistent with the final passing rate for Cohort 2018 of 85% that includes students with a qualifying score. We will continue to focus on increasing the passing rate for both English Language Learners and Students with Disabilities.
- Goal 2:** Students will demonstrate progress towards meeting the graduation requirement on a Math Regents with an 86% passing rate for Cohort 2019 by August 2019. Meeting this goal includes students with a qualifying score. The goal for Cohort 2019 is consistent with the final passing rate for Cohort 2018 of 86% that includes students with a qualifying score. We will continue to focus on increasing the passing rate for both English Language Learners and Students with Disabilities.
- Goal 3:** Students will demonstrate progress towards achieving NYS Standards for a 4-year graduation with an 81% rate for Cohort 2019 by August 2019. Meeting this goal represents a 1% increase over the final graduation rate for Cohort 2018 of 80%.
- Goal 4:** Students will demonstrate progress towards achieving an 86% attendance rate, before reversals, by June 2019. Meeting this goal is consistent with our efforts to ensure that students attend the entire instructional day. Our average daily attendance is 90.3% as of June 2018 and the rate of attendance before reversals is 84.2%. Reaching for 86% in 2018-19 will close the gap of students who attend school partial school days.
- Goal 5:** We will collaborate on five events with community-based organizations that bring our students into the community and promote the role of FHHS and all it offers the community. This will strengthen our bond with students, families, and the community-at-large. Specifically, strengthening our relationship will help us develop 15 additional partnerships for our Fort Shadowing Program, currently at 70, to provide career experiences for our Cohort 2019 and beyond. This represents an increase of 21% to accommodate this career experience for our large cohort of seniors.
