## **STUDENT DRIVING REGULATIONS**

### Student Vehicles

Students driving to school and parking on campus must register their vehicles in the main office. A student parking tag must be purchased after each student completes the parent/guardian permission form and can show a valid driver's license. The price of the tag will be determined by the Board of Education each year. Vehicles properly displaying a parking tag on the rear-view mirror are authorized to park on campus. Any auto entering a school-owned parking area is subject to search with or without cause by school officials and/or police. **Students illegally parked or parked on high school property without a valid parking tag visible are subject to towing and/or ticketing at all times and at the expense of the owner.** On some occasions, it may be necessary for a student to drive a different car to school other than their normal car of record. They must ensure that they place their parking tag inside that vehicle or risk towing at their own expense. **If the parking tag is not transferred, due to unforeseen circumstances, the student must notify the Dean or High School Office before the start of school that day.**

### Student Driving and Parking Regulations

- A. Student drivers may leave the parking lot only during their lunch period unless prearranged. This applies only to upperclassmen as underclassmen are restricted to campus during lunch.
- B. Student parking is only permitted in the student parking lot located directly off Union Street.
- C. **Students are prohibited from driving through or parking in the M.C.H.S./G.A.V.C. faculty, staff, or visitors' parking lots at all times. This includes after school hours when athletic/club practices may be in session and parking in this area may be a tempting convenience to students.**
- D. All students must maintain and keep current auto insurance. Failure to comply may result in parking privileges being revoked.
- E. GAVC students are not permitted at any time to park their vehicles in the GAVC/Rec. Center/MCHS parking areas while they are attending classes.
- F. Parking or driving violations will be administered by the following penalties:  
**1st violation:** 2 Hour Saturday Detention.  
**2nd violation:** Student automatically billed for the purchase price of a current tag plus a \$10.00 late fee.

Note: Illegally parking, reckless driving, and other student driving issues may result in detentions, Saturday detentions, and/or a recommendation for expulsion.

**Detach completed form and return to MCHS main office with payment.**

### MCHS STUDENT PARKING PERMISSION FORM 2018-2019

\_\_\_\_\_ has my permission to drive to and from MCHS and park in the Student Parking Lot.

Students driving their vehicles on school grounds must obey all MCHS rules pertaining to student parking and driving as stipulated in the MCHS Student Handbook and the motor vehicle code of the State of Illinois. Any student without current automobile insurance is prohibited from parking on MCHS property. Any student that purchases a student parking tag must have the tag properly displayed on the rear-view mirror of their vehicle. ***Vehicles not displaying a current parking tag in the Student Parking Lot, whether that student purchased a tag or not, will be subject to towing at the owners expense.***
