

READING SKILLS AND SPEED READING PROGRAMS

For Children and Adults

OFFERED THIS SUMMER IN UNION, SCOTCH PLAINS, EDISON, and ON CAMPUS

Program for 4-Year-Olds and Entering Kindergartners

In this fun summer program, we teach children to read. They learn letter recognition, beginning phonics, and easy sight words. Children learn to read simple words and short sentences and are excited about books and reading.

Program for Entering 1st Graders

In this fun summer program, we teach children to read independently. They learn phonics and sight words, build fluency and comprehension, and develop a love of books and reading. Children are excited about reading and get a head start in first grade.

Program for Entering 2nd Graders

In this fun summer program, we teach children to become fluent, confident readers. They build solid phonics and word-attack skills and develop reading fluency and strong comprehension. Children gain confidence, are excited about books and reading, and get a head start in second grade.

Program for Entering 3rd Graders

In this fun summer program, we teach children to become strong, fluent readers. They develop long-word decoding skills, reading fluency, and excellent comprehension. Children gain confidence, develop a lifelong love of books and reading, and get a head start in third grade.

Program for Entering 4th Graders

Program for Entering 5th Graders

In these fun and effective programs, we teach children to become skilled, enthusiastic readers. Students develop strong comprehension skills in fiction, non-fiction, and textbooks. They build long-word decoding skills and learn to read more fluently and rapidly. Students who learn these skills can complete homework more quickly and easily, be more successful in school, and develop a lifelong love of reading.

Program for Entering 6th-8th Graders

Program for Entering 9th-11th Graders

In these effective and enjoyable programs, we teach children to make substantial gains in comprehension and learn to read faster. Our average student doubles reading speed while learning the best way to take notes, study for tests, and read fiction, non-fiction, and textbooks. Students who learn these skills can complete homework more quickly and easily, get better grades, and enjoy reading more.

Program for Adults, Entering 12th Graders, and College Students

Transform your reading skills with our speed reading program! Our average student learns to read twice as fast in difficult material, such as textbooks and other challenging non-fiction, and three times as fast in easier reading. The comprehension, concentration, and retention techniques we teach can help students save time and get more out of everything they read.
