

Meet Our 2019 Summer Team!

Ana Pastora – Lead Counselor

Buenos Dias! My name is Ana and I am so excited to begin my second summer of Aventuras! I was born in San Salvador, El Salvador and moved with my family to Maryland in 2000, where I began my career in education. Throughout my career I have enjoyed helping children grow as teaching children has always been a passion of mine. I love to get the children excited through fun summer challenges and enjoy creating crazy science explosions, fun crafts and STEM activities into each day. I can't wait to get to know your child as we engage in a fun filled summer of Aventuras!

Anibal Guzman – Counselor

Hola! I am Anibal and I love being a member of our Aventuras Team! I am a proud Guatemalan native which is where I lived until I was 5 years old. My passions for education and STEM have driven for me to pursue my degree in Early Childhood Education. I currently work with our Aventuras After School After School Enrichment Program and after my first summer working with our Aventuras Summer Camp, I am so excited to be back again – the pool trips were definitely some of my favorite camp memories!

Camila Serpas – Counselor

Hola! My name is Camila and I love joining the Aventuras each summer for their fun-filled camps! I am originally from El Salvador where I learned my first language, Spanish. My passion for working with children has grown over the past four years as I have worked as an After School and Summer Camp Counselor. I love all of the fun field trips our Aventuras venture on throughout the summers, and can't wait to join them again for all of the action-packed adventures they have planned!
