## Who will receive the donated items?

All donated items given to the Family Resource Center go directly to Painesville City students in need. The FRC is a safe space at the school where students can come to get basic hygiene supplies and uniforms for free. Students are able to self-refer to get supplies for school and/or home that they need. The items you donate will enable the FRC to create a Care Closet to help students more confident and cared for within their school community. We cannot expect students to reach their highest potential if they are worried about their basic needs being met. The Raider Rack Uniform Exchange Program and New Care Closet are both ways that we can come together to help our students!

## A Little About Painesville City Schools

Painesville City Local Schools serves approximately 2,796 students in PreK-12th grades. A large majority of our students are identified as "economically disadvantaged," based upon household income. The Family Resource Center is a central and convenient location for school families to connect with a wide variety of community resources and agencies.
