ATTENTION PARENTS

Dear Parents,

Below are instructions for filing the Claim Form. Should you have any questions, contact a district representative (athletic director, athletic trainer, coach, etc.) or call the number listed below. The district is **NOT** responsible for medical payments for your child. The district may have purchased a supplemental Accident Only Policy, not sickness and illness, which has limits of how much it will and will not pay. If you have insurance for your child, the district policy will pay after your insurance to help reduce service charges remaining for covered benefits. If you have no other insurance for your child, this policy may pay first or primary. The district policy is a limited accident only benefit policy and it may not cover all medical bills for your child. Any charges not paid by insurance are **YOUR RESPONSIBILITY**.

For all school-related accidents, be sure to contact a district representative (athletic trainer, coach or administrator).

IMPORTANT INSURANCE TIPS

Regardless of whether your child has insurance or not:

- treatment by a licensed doctor must occur within 90 days from the date of the injury.
- filing of a fully completed and signed claim form by the district and parent/guardian must occur within 90 days from the date of the injury (parent/guardian should submit form to claims administrator).
- filing of all bills for provider services must occur within 90 days from the date of service. It is the parent/guardian's responsibility to follow-up with each provider to make certain bills are submitted on time.

Texas Kids First has unique access to one of the most creative innovations in the insurance industry – the Texas Kids First Provider Network (TKF Network)* – a network consisting of medical professionals and hospitals that have agreed to treat injured students from our insured districts for the services paid and outlined in the Schedule of Benefits of the Texas Kids First Student Accident Plans.

Districts that purchase accident insurance with Texas Kids First obtain access to the Provider Directory on our website, www.texaskidsfirst.com. A District representative should contact providers in your area to verify full assignment acceptance prior to making an appointment.

*The TKF Network is made available by Texas Kids First and is not affiliated with Unified Life Insurance Company.
