III. Site Based Elements

- A. Kids are excited to Drop Everything and Read on Friday, March 1st for Read Across America day. We're bringing blankets or towels to read outside (as long as it's not raining!)
- B. We're extremely excited for our first ever STEM Family Night on Thursday, March 14th from 6-8pm. There will be hands-on activities, demonstrations, guest speakers, information tables and photo booths - maybe even a 6th grade bake sale.
- C. Our annual Jump For Heart event benefiting the American Heart Association is on Friday, March 29th after the monthly flag assembly. Mrs. Lindbo heads this event and will be distributing information soon.
- D. The PTA did a wonderful job hosting Donuts for Darlings for all of our special ladies. Next up is Muffins for Men at the end of April. In the future, both events will serve donuts!
- E. Love Brea Day is April 27th, a community event in conjunction with the city. Some ideas included: painting the stalls in student restrooms, wall clings of positive quotes in bathrooms, adding Cougar paws to fence, putting Lego bases on wall of Think Tank.

IV. Legal Requirements

- A. LCAP
 - a. Mrs. Walsh reviewed the LCAP goals and shared an overview presentation regarding the BOUD LCAP goals and opportunities to give input on the LCAP through Thought Exchange. She pulled up Thought Exchange and looked at how to use. This year, 6th graders will give input at a forum with District administrators, and junior high and high school students will be able to do a survey in their English classes.
 - b. Mrs. Walsh reviewed the Educator Effectiveness budget from the SPSA, noting that all funds for Country Hills professional development has been spent for this year, and teachers who have attended trainings have returned and shared their learning at staff PLCs or meetings.

V. Adjournment TIME 3:55pm

A motion to adjourn the meeting was made by *Trish Walsh* and seconded by *Stephanie Chute*. The next SSC meeting will be held on May 16, 2019 at 3pm in the Media Center.
