Combined Evidence of Coverage and Disclosure Form

Glendora Unified School District

Effective Date: October 1, 2012

Medical Loss Ratio Information

The Affordable Care Act requires health insurers in the individual and small group markets to spend at least 80 percent of the premiums they receive on health care services and activities to improve health care quality (in the large group market, this amount is 85 percent). This is referred to as the Medical Loss Ratio (MLR) rule or the 80/20 rule. If a health insurer does not spend at least 80 percent of the premiums it receives on health care services and activities to improve health care quality, the insurer must rebate the difference.

A health insurer's Medical Loss Ratio is determined separately for each State's individual, small group and large group markets in which the health insurer offers health insurance. In some States, health insurers must meet a higher or lower Medical Loss Ratio. No later than August 1, 2012, health insurers must send any rebates due for 2011 and information to employers and individuals regarding any rebates due for 2011.

You are receiving this notice because Blue Shield of California and Blue Shield of California Life and Health Insurance Company had a Medical Loss Ratio for 2011 that met or exceeded the required Medical Loss Ratio. For more information on Medical Loss Ratio, visit www.blueshieldca.com/MLRinfo or www.HealthCare.gov.

- ⁵ For Services by Non-Preferred and Non-Participating Providers you are responsible for all charges above the Allowable Amount.
- ⁶ For Services by certificated acupuncturists which are Other Providers, you are responsible for all charges above the Allowable Amount.
- ⁷ The Copayment will be calculated based upon the provider's billed charges or the amount the provider has otherwise agreed to accept as payment in full from the Plan, whichever is less.
- ⁸ If billed by your provider, you will also be responsible for an office visit Copayment.

- ¹⁸ No benefits are provided for Substance Abuse Conditions, unless substance abuse coverage is selected as an optional Benefit by your Employer. Note: Inpatient Services which are Medically Necessary to treat the acute medical complications of detoxification are covered as part of the medical Benefits and are not considered to be treatment of the Substance Abuse Condition itself.
- ¹⁹ All Behavioral Health Treatment, Inpatient Mental Health Services, Outpatient Partial Hospitalization, Intensive Outpatient Care and Outpatient electroconvulsive therapy Services (except for Emergency and urgent Services) must be prior authorized by the MHSA.
- ²⁰ For Emergency Services by MHSA Non-Participating Hospitals your Copayment will be the MHSA Participating Hospital Copayment based on the Allowable Amount.
- ²¹ This Copayment includes both Outpatient facility and Professional (Physician) Services.
- ²² For Outpatient Partial Hospitalization Services, an episode of care is the date from which the patient is admitted to the Partial Hospitalization Program to the date the patient is discharged or leaves the Partial Hospitalization Program. INTRODUCTION TO THE BLUE SHIELD OF CALIFORNIA PREFERRED PLAN

If you have questions about your Benefits, contact Blue Shield of California before Hospital or medical Services are received.

This Plan is designed to reduce the cost of health care to you, the Subscriber. In order to reduce your costs, much greater responsibility is placed on you.

You should read your Summary of Benefits and Evidence of Coverage and Disclosure Form booklet carefully. Your booklet tells you which services are covered by your health Plan and which are excluded. It also lists your Copayment and Deductible responsibilities.

When you need health care, present your Blue Shield of California ID card to your Physician, Hospital, or other licensed healthcare provider. Your ID card has your Subscriber and group numbers on it. Be sure to include these numbers on all claims you submit to Blue Shield of California.

In order to receive the highest level of Benefits, you should assure that your provider is a Preferred Provider (see the "Blue Shield of California Preferred Providers" section).

You are responsible for following the provisions shown in the "Benefits Management Program" section of this booklet, including:

1. You or your Physician must obtain Blue Shield of California approval at least 5 working days before Hospital or Skilled Nursing Facility admissions for all non-Emergency Inpatient Hospital or Skilled Nursing Facility Services, or obtain prior approval from the Mental Health Service Administrator (MHSA) for all non-Emergency Inpatient Mental Health Services. (See the "Blue Shield of California Preferred Providers" section for information.)
2. You or your Physician must notify Blue Shield of California (or the MHSA in the case of Mental Health Services) within 24 hours or by the end of the first business day following emergency admissions, or as soon as it is reasonably possible to do so.
3. You or your Physician must obtain prior authorization in order to determine if contemplated services are covered. See "Prior Authorization" in the "Benefits Management Program" section for a listing of Services requiring prior authorization.

Failure to meet these responsibilities may result in your incurring a substantial financial liability. Some Services may not be covered unless prior review and other requirements are met.

Note: Blue Shield or the MHSA will render a decision on all requests for prior authorization within 5 business days from receipt of the request. The treating provider will be notified of the decision within 24 hours followed by written notice

to the provider and Subscriber within 2 business days of the decision. For urgent services in situations in which the routine decision making process might seriously jeopardize the life or health of a Member or when the Member is experiencing severe pain, Blue Shield will respond as soon as possible to accommodate the Member's condition not to exceed 72 hours from receipt of the request.

PLEASE READ THE FOLLOWING INFORMATION SO YOU WILL KNOW FROM WHOM OR WHAT GROUP OF PROVIDERS HEALTH CARE MAY BE OBTAINED.

BLUE SHIELD OF CALIFORNIA PREFERRED PROVIDERS

The Blue Shield of California Preferred Plan is specifically designed for you to use Blue Shield of California Preferred Providers. Preferred Providers include certain Physicians, Hospitals, Alternate Care Services Providers, and other Providers. Preferred Providers are listed in the Preferred Provider directories. All Blue Shield of California Physician Members are Blue Shield of California Preferred Providers. So are selected Hospitals in your community. Many other healthcare professionals, including dentists, podiatrists, optometrists, audiologists, licensed clinical psychologists and licensed marriage and family therapists are also Preferred Providers. They are all listed in your Preferred Provider Directories.

To determine whether a provider is a Preferred Provider, consult the Preferred Provider Directory. You may also verify this information by accessing Blue Shield's Internet site located at <http://www.blueshieldca.com>, or by calling Customer Service at the telephone number shown on the last page of this booklet. Note: A Preferred Provider's status may change. It is your obligation to verify whether the Physician, Hospital or Alternate Care Services provider you choose is a Preferred Provider, in case there have been any changes since your Preferred Provider Directory was published.

Note: In some instances services are covered only if rendered by a Preferred Provider. Using a Non-Preferred Provider could result in lower or no payment by Blue Shield for services.

Blue Shield of California Preferred Providers agree to accept Blue Shield of California's payment, plus your payment of any applicable Deductibles, Copayments, or amounts in excess of specified Benefit maximums as payment-in-full for covered Services, except as provided under the Exception for Other Coverage provision and in the Reductions section regarding Third Party Liability. This is not true of Non-Preferred Providers.

You are not responsible to Participating and Preferred Providers for payment for covered Services, except for the Deductibles, Copayments, and amounts in excess of specified Benefit maximums, and except as provided under the Exception for Other Coverage provision.

Blue Shield contracts with Hospitals and Physicians to provide Services to Members for specified rates. This contrac-

tual arrangement may include incentives to manage all services provided to Members in an appropriate manner consistent with the contract. If you want to know more about this payment system, contact Customer Service at the number provided on the back page of this booklet.

If you go to a Non-Preferred Provider, Blue Shield of California's payment for a Service by that Non-Preferred Provider may be substantially less than the amount billed. You are responsible for the difference between the amount Blue Shield of California pays and the amount billed by Non-Preferred Providers. It is therefore to your advantage to obtain medical and Hospital Services from Preferred Providers.

Payment for Emergency Services rendered by a Physician or Hospital who is not a Preferred Provider will be based on the Allowable Amount but will be paid at the Preferred level of benefits. You are responsible for notifying Blue Shield of California within 24 hours, or by the end of the first business day following emergency admission at a Non-Preferred Hospital, or as soon as it is reasonably possible to do so.

For all Mental Health Services: Blue Shield of California has contracted with the Plan's MHSA. The MHSA is a specialized health care service plan licensed by the California Department of Managed Health Care, and will underwrite and deliver Blue Shield's Mental Health Services through a separate network of MHSA Participating Providers.

Note that MHSA Participating Providers are only those Providers who participate in the MHSA network and have contracted with the MHSA to provide Mental Health Services to Blue Shield Subscribers. A Blue Shield Preferred/Participating Provider may not be an MHSA Participating Provider. MHSA Participating Providers agree to accept the MHSA's payment, plus your payment of any applicable Deductible and Copayment, or amounts in excess of Benefit maximums specified, as payment-in-full for covered Mental Health Services. This is not true of MHSA Non-Participating Providers; therefore, it is to your advantage to obtain Mental Health Services from MHSA Participating Providers.

It is your responsibility to ensure that the Provider you select for Mental Health Services is an MHSA Participating Provider. MHSA Participating Providers are indicated in the Blue Shield of California Behavioral Health Provider Directory. Additionally, Subscribers may contact the MHSA directly for information on, and to select an MHSA Participating Provider by calling 1-877-263-9952.

Directories of Blue Shield of California Preferred Providers located in your area have been provided to you. Extra copies are available from Blue Shield of California. If you do not have the directories, please contact Blue Shield of California immediately and request them at the telephone number listed on the last page of this booklet.

CONTINUITY OF CARE BY A TERMINATED PROVIDER

Members who are being treated for acute conditions, serious chronic conditions, pregnancies (including immediate postpartum care), or terminal illness; or who are children from birth to 36 months of age; or who have received authorization from a now-terminated provider for surgery or another procedure as part of a documented course of treatment can request completion of care in certain situations with a provider who is leaving the Blue Shield provider network. Contact Customer Service to receive information regarding eligibility criteria and the policy and procedure for requesting continuity of care from a terminated provider.

FINANCIAL RESPONSIBILITY FOR CONTINUITY OF CARE SERVICES

If a Member is entitled to receive Services from a terminated provider under the preceding Continuity of Care provision, the responsibility of the Member to that provider for Services rendered under the Continuity of Care provisions shall be no greater than for the same Services rendered by a Preferred Provider in the same geographic area.

SUBMITTING A CLAIM FORM

Preferred Providers submit claims for payment after their Services have been received. You or your Non-Preferred Providers also submit claims for payment after Services have been received.

You are paid directly by Blue Shield if Services are rendered by a Non-Preferred Provider. Payments to you for covered Services are in amounts identical to those made directly to providers. Requests for payment must be submitted to Blue Shield within 1 year after the month Services were provided. Special claim forms are not necessary, but each claim submission must contain your name, home address, group contract number, Subscriber's number, a copy of the provider's billing showing the Services rendered, dates of treatment and the patient's name. Blue Shield will notify you of its determination within 30 days after receipt of the claim.

To submit a claim for payment, send a copy of your itemized bill, along with a completed Blue Shield of California Subscriber's Statement of Claim form to the Blue Shield of California service center listed on the last page of this booklet.

Claim forms are available on Blue Shield's Internet site located at <http://www.blueshieldca.com> or you may call Blue Shield of California Customer Service at the number listed on the last page of this booklet to ask for forms. If necessary, you may use a photocopy of the Blue Shield of California claim form.

Be sure to send in a claim for all covered Services even if you have not yet met your Calendar Year Deductible. Blue Shield of California will keep track of the Deductible for

you. Blue Shield of California uses an Explanation of Benefits to describe how your claim was processed and to inform you of your financial responsibility.

ELIGIBILITY

1. To enroll and continue enrollment, a Member must meet all of the eligibility requirements of the Plan.

If you are an Employee, you are eligible for coverage as a Subscriber the day following the date you complete the waiting period established by your Employer. Your spouse or Domestic Partner and all your Dependent children are eligible at the same time.

When you decline coverage for yourself or your Dependents during the initial enrollment period and later request enrollment, you and your Dependents will be considered to be Late Enrollees. When Late Enrollees decline enrollment during the initial enrollment period, they will be eligible the earlier of 12 months from the date of the request for enrollment or at the Employer's next Open Enrollment Period and shall be subject to a 6-month Pre-existing Condition exclusion. Blue Shield will not consider applications for earlier effective dates.

You and your Dependents will not be considered to be Late Enrollees if either you or your Dependents lose coverage under a previous employer's health plan and you apply for coverage under this Plan within 31 days of the date of loss of coverage. You will be required to furnish Blue Shield written proof of the loss of coverage.

Newborn infants of the Subscriber, spouse, or his or her Domestic Partner will be eligible immediately after birth for the first 31 days. A child placed for adoption will be eligible immediately upon the date the Subscriber, spouse or Domestic Partner has the right to control the child's health care. Enrollment requests for children who have been placed for adoption must be accompanied by evidence of the Subscriber's, spouse's or Domestic Partner's right to control the child's health care. Evidence of such control includes a health facility minor release report, a medical authorization form or a relinquishment form. In order to have coverage continue beyond the first 31 days without lapse, an application must be submitted to and received by Blue Shield within 31 days from the date of birth or placement for adoption of such Dependent.

A child acquired by legal guardianship will be eligible on the date of the court ordered guardianship, if an application is submitted within 31 days of becoming eligible.

You may add newly acquired Dependents and yourself to the Plan by submitting an application within 31 days from the date of acquisition of the Dependent:

- a. to continue coverage of a newborn or child placed for adoption;
- b. to add a spouse after marriage, or add a Domestic Partner after establishing a domestic partnership;

- b. to add yourself and spouse following the birth of a newborn or placement of a child for adoption;
- d. to add yourself and spouse after marriage;
- e. to add yourself and your newborn or child placed for adoption, following birth or placement for adoption.

A completed health statement may be required with the application. Coverage is never automatic; an application is always required.

If both partners in a marriage or domestic partnership are eligible to be Subscribers, children may be eligible and may be enrolled as a Dependent of either parent, but not both.

Enrolled Dependent children who would normally lose their eligibility under this Plan solely because of age, but who are incapable of self-sustaining employment by reason of a physically or mentally disabling injury, illness, or condition, may have their eligibility extended under the following conditions: (1) the child must be chiefly dependent upon the Employee for support and maintenance, and (2) the Employee must submit a Physician's written certification of such disabling condition. Blue Shield or the Employer will notify you at least 90 days prior to the date the Dependent child would otherwise lose eligibility. You must submit the Physician's written certification within 60 days of the request for such information by the Employer or by the Plan. Proof of continuing disability and dependency must be submitted by the Employee as requested by Blue Shield but not more frequently than 2 years after the initial certification and then annually thereafter.

Subject to the requirements described under the Continuation of Group Coverage provision in this booklet, if applicable, an Employee and his or her Dependents will be eligible to continue group coverage under this Plan when coverage would otherwise terminate.

2. If a Member commits any of the following acts, they will immediately lose eligibility to continue enrollment:
 - a. Abusive or disruptive behavior which:
 - (1) threatens the life or well-being of Plan personnel, or providers of services;
 - (2) substantially impairs the ability of Blue Shield to arrange for services to the Member; or
 - (3) substantially impairs the ability of providers of Services to furnish Services to the Member or to other patients.
 - b. Failure or refusal to provide Blue Shield access to documents and other information necessary to determine eligibility or to administer benefits under the Plan.
3. Employer eligibility – The Employer must meet specified Employer eligibility, participation and contribution requirements to be eligible for this group Plan. See your Employer for further information.

EFFECTIVE DATE OF COVERAGE

Coverage will become effective for Employees and Dependents who enroll during the initial enrollment period at 12:01 a.m. Pacific Time on the eligibility date established by your Employer.

If, during the initial enrollment period, you have included your eligible Dependents on your application to Blue Shield, their coverage will be effective on the same date as yours. If application is made for Dependent coverage within 31 days after you become eligible, their effective date of coverage will be the same as yours.

If you or your Dependent is a Late Enrollee, your coverage will become effective the earlier of 12 months from the date you made a written request for coverage or at the Employer's next Open Enrollment Period and shall be subject to a 6-month Pre-existing Condition exclusion. Blue Shield will not consider applications for earlier effective dates.

If you declined coverage for yourself and your Dependents during the initial enrollment period because you or your Dependents were covered under another employer health plan, and you or your Dependents subsequently lost coverage under that plan, you will not be considered a Late Enrollee. Coverage for you and your Dependents under this Plan will become effective on the date of loss of coverage, provided you enroll in this Plan within 31 days from the date of loss of coverage. You will be required to furnish Blue Shield written evidence of loss of coverage.

If you declined enrollment during the initial enrollment period and subsequently acquire Dependents as a result of marriage, establishment of domestic partnership, birth, or placement for adoption, you may request enrollment for yourself and your Dependents within 31 days. The effective date of enrollment for both you and your Dependents will depend on how you acquire your Dependent(s):

1. For marriage or domestic partnership, the effective date will be the first day of the first month following receipt of your request for enrollment;
2. For birth, the effective date will be the date of birth;
3. For a child placed for adoption, the effective date will be the date the Subscriber, spouse, or Domestic Partner has the right to control the child's health care.

Once each Calendar Year, your Employer may designate a time period as an annual Open Enrollment Period. During that time period, you and your Dependents may transfer from another health plan sponsored by your Employer to the Preferred Plan. A completed enrollment form must be forwarded to Blue Shield within the Open Enrollment Period. Enrollment becomes effective on the anniversary date of this Plan following the annual Open Enrollment Period.

Any individual who becomes eligible at a time other than during the annual Open Enrollment Period (e.g., newborn, child placed for adoption, child acquired by legal guardianship, new spouse or Domestic Partner, newly hired or newly

transferred Employees) must complete an enrollment form within 31 days of becoming eligible.

Coverage for a newborn child will become effective on the date of birth. Coverage for a child placed for adoption will become effective on the date the Subscriber, spouse or Domestic Partner has the right to control the child's health care, following submission of evidence of such control (a health facility minor release report, a medical authorization form or a relinquishment form). In order to have coverage continue beyond the first 31 days without lapse, a written application must be submitted to and received by Blue Shield within 31 days. A Dependent spouse becomes eligible on the date of marriage. A Domestic Partner becomes eligible on the date a domestic partnership is established as set forth in the Definitions section of this booklet. A child acquired by legal guardianship will be eligible on the date of the court ordered guardianship.

If a court has ordered that you provide coverage for your spouse, Domestic Partner or Dependent child under your health benefit Plan, their coverage will become effective within 31 days of presentation of a court order by the district attorney, or upon presentation of a court order or request by a custodial party, as described in Section 3751.5 of the Family Code.

If you or your Dependents voluntarily discontinued coverage under this Plan and later request reinstatement, you or your Dependents will be covered the earlier of 12 months from the date of request for reinstatement or at the Employer's next Open Enrollment Period.

If this Plan provides Benefits within 60 days of the date of discontinuance of the previous group health plan that was in effect with your Employer;

1. you and all your Dependents who were validly covered under the previous group health plan on the date of discontinuance, will be eligible under this Plan except that,
2. if you or your Dependents were enrolled in the previous group health plan for less than 6 months and were Totally Disabled on the date of discontinuance of the previous group health plan and were entitled to an extension of benefits under Section 1399.62 of the California Health and Safety Code or Section 10128.2 of the California Insurance Code, you or your Dependents will not be entitled to any benefits under this Plan for services or expenses directly related to any condition which caused such Total Disability for a period not to exceed 6 months. Blue Shield will credit the time you or your Dependents were covered under the prior Creditable Coverage toward this Plan's Pre-existing Condition exclusion.

RENEWAL OF GROUP HEALTH SERVICE CONTRACT

Blue Shield of California will offer to renew the Group Health Service Contract except in the following instances:

1. non-payment of Dues (see “Termination of Benefits”, and “Reinstatement, Cancellation and Rescission Provisions”);
2. fraud, misrepresentations or omissions;
3. failure to comply with Blue Shield's applicable eligibility, participation or contribution rules;
4. termination of plan type by Blue Shield;
5. Employer relocates outside of California;
6. association membership ceases.

All groups will renew subject to the above.

PREPAYMENT FEE

The monthly Dues for you and your Dependents are indicated in your Employer's group Contract. The initial Dues are payable on the effective date of the group Contract, and subsequent Dues are payable on the same date (called the transmittal date) of each succeeding month. Dues are payable in full on each transmittal date and must be made for all Subscribers and Dependents.

All Dues required for coverage for you and your Dependents will be handled through your Employer, and must be paid to Blue Shield of California. Payment of Dues will continue the Benefits of this group Contract up to the date immediately preceding the next transmittal date, but not thereafter.

The Dues payable under this Plan may be changed from time to time, for example, to reflect new Benefit levels. Your Employer will receive notice from the Plan of any changes in Dues at least 60 days prior to the change. Your Employer will then notify you immediately. Note: This paragraph does not apply to a Subscriber who is enrolled under a contract where monthly Dues automatically increase, without notice, the first day of the month following an age change that moves the Subscriber into the next higher age category.

PLAN CHANGES

The Benefits of this Plan, including but not limited to Covered Services, Deductible, Copayment, and annual Copayment maximum amounts, are subject to change at any time. Blue Shield will

provide at least 60 days' written notice of any such change.

Benefits for Services or supplies furnished on or after the effective date of any change in Benefits will be provided based on the change.

SERVICES FOR EMERGENCY CARE

The Benefits of this Plan will be provided for covered Services received anywhere in the world for the emergency care of an illness or injury.

Members who reasonably believe that they have an emergency medical condition which requires an emergency response are encouraged to appropriately use the “911” emergency response system where available.

Note: For the lowest out-of-pocket expenses, covered non-Emergency Services or emergency room follow-up Services (e.g., suture removal, wound check, etc.) should be received in a Participating Physician's office.

UTILIZATION REVIEW

State law requires that health plans disclose to Subscribers and health plan providers the process used to authorize or deny health care services under the Plan.

Blue Shield has completed documentation of this process (“Utilization Review”), as required under Section 1363.5 of the California Health and Safety Code.

To request a copy of the document describing this Utilization Review process, call the Customer Service Department at the number listed on the last page of this booklet.

SECOND MEDICAL OPINION POLICY

If you have a question about your diagnosis, or believe that additional information concerning your condition would be helpful in determining the most appropriate plan of treatment, you may make an appointment with another Physician for a second medical opinion. Your attending Physician may also offer to refer you to another Physician for a second opinion.

Remember that the second opinion visit is subject to all Plan contract Benefit limitations and exclusions.

HEALTH EDUCATION AND HEALTH PROMOTION SERVICES

Health education and health promotion Services provided by Blue Shield's Center for Health and Wellness offer a variety of wellness resources including, but not limited to: a member newsletter and a prenatal health education program.

RETAIL-BASED HEALTH CLINICS

Retail-based health clinics are Outpatient facilities, usually attached or adjacent to retail stores, pharmacies, etc., which provide limited, basic medical treatment for minor health issues. They are staffed by nurse practitioners under the direction of a Physician and offer services on a walk-in basis. Covered Services received from retail-based health clinics will be paid on the same basis and at the same Benefit levels as other covered Services shown in the Summary of Benefits. Retail-based health clinics may be found in the Preferred Provider Directory or the Online Physician Directory located at <http://www.blueshieldca.com>. See the Blue Shield of California Preferred Providers section for information on the advantages of choosing a Preferred Provider.

BENEFITS MANAGEMENT PROGRAM

Blue Shield has established the Benefits Management Program to assist you, your Dependents or provider in identifying the most appropriate and cost-effective course of treatment for which certain Benefits will be provided under this health Plan and for determining whether the services are Medically Necessary. However, you, your Dependents and provider make the final decision concerning treatment. The Benefits Management Program includes: prior authorization review for certain services, emergency admission notification, Hospital Inpatient review, discharge planning, and case management if determined to be applicable and appropriate by Blue Shield.

Certain portions of the Benefits Management Program also contain Additional and Reduced Payment requirements for either not contacting Blue Shield or not following Blue Shield's recommendations. Failure to contact the Plan for authorization of services listed in the sections below or failure to follow the Plan's recommendations may result in reduced payment or non-payment if Blue Shield determines the service was not a covered Service. Please read the following sections thoroughly so you understand your responsibilities in reference to the Benefits Management Program. Remember that all provisions of the Benefits Management Program also apply to your Dependents.

Blue Shield requires prior authorization for selected Inpatient and Outpatient services, supplies and Durable Medical Equipment; admission into an approved Hospice Program; and certain radiology procedures. Prior authorization is required for all Inpatient Hospital and Skilled Nursing Facility Services (except for Emergency Services*).

*See the paragraph entitled Emergency Admission Notification later in this section for notification requirements.

By obtaining prior authorization for certain services prior to receiving services, you and your provider can verify: (1) if Blue Shield considers the proposed treatment Medically Necessary, (2) if Plan Benefits will be provided for the proposed treatment, and (3) if the proposed setting is the most appropriate as determined by Blue Shield. You and your provider may be informed about Services that could be performed on an Outpatient basis in a Hospital or Outpatient Facility.

PRIOR AUTHORIZATION

For services and supplies listed in the section below, you or your provider can determine before the service is provided whether a procedure or treatment program is a Covered Service and may also receive a recommendation for an alternative Service. Failure to contact Blue Shield as described below or failure to follow the recommendations of Blue Shield for Covered Services will result in a reduced payment per procedure as described in the section entitled Additional and Reduced Payments for Failure to Use the Benefits Management Program.

For Services other than those listed in the sections below, you, your Dependents or provider should consult the Principal Benefits and Coverages (Covered Services) section of this booklet to determine whether a service is covered.

You or your Physician must call the Customer Service telephone number indicated on the back of the Member's identification card for prior authorization for the services listed in this section except for the Outpatient radiological procedures described in item 12. below. For prior authorization for Outpatient radiological procedures, you or your Physician must call 1-888-642-2583.

You or your Physician must call the MHSA at 1-877-263-9952 for prior authorization of Outpatient Partial Hospitalization, Intensive Outpatient Care and Outpatient electroconvulsive therapy (ECT) Services for the treatment of Mental Health Conditions.

Blue Shield requires prior authorization for the following services:

1. Admission into an approved Hospice Program as specified under Hospice Program Benefits in the Covered Services section.
2. Clinical Trial for Cancer Benefits.

Members who have been accepted into an approved clinical trial for cancer as defined under the Covered Services section must obtain prior authorization from Blue Shield in order for the routine patient care delivered in a clinical trial to be covered.

Failure to obtain prior authorization or to follow the recommendations of Blue Shield for Hospice Program Benefits and Clinical Trial for Cancer Benefits above will result in non-payment of services by Blue Shield.

3. Select injectable drugs, except injectable contraceptives (prior authorization not required) administered in the Physician office setting.*

*Prior authorization is based on Medical Necessity, appropriateness of therapy, or when effective alternatives are available.

Note: Your Preferred or Non-Preferred Physician must obtain prior authorization for select injectable drugs administered in the Physician's office. Failure to obtain prior authorization or to follow the recommendations of

Blue Shield for select injectable drugs may result in non-payment by Blue Shield if the service is determined not to be a covered Service; in that event you may be financially responsible for services rendered by a Non-Preferred Physician.

4. Home Health Care Benefits from Non-Preferred Providers.
5. Home Infusion/Home Injectable Therapy Benefits from Non-Preferred Providers.
6. Durable Medical Equipment Benefits, including but not limited to motorized wheelchairs, insulin infusion pumps, and Continuous Glucose Monitoring Systems (CGMS), except breast pumps (prior authorization not required).
7. Reconstructive Surgery.
8. Arthroscopic surgery of the temporomandibular joint (TMJ) Services.
9. Dialysis Services as specified under the Dialysis Center Benefits and Hospital Benefits (Facility Services) in the Covered Services section.
10. Hemophilia home infusion products and Services.

Failure to obtain prior authorization or to follow the recommendations of Blue Shield for:

injectable drugs administered in the Physician office setting,
Home Health Care Benefits from Non-Preferred Providers,
Home Infusion/Home Injectable Therapy Benefits from Non-Preferred Providers,
Durable Medical Equipment Benefits,
Reconstructive Surgery,

A list of services and procedures requiring prior authorization can be obtained by your provider by going to <http://www.blueshieldca.com> or by calling the Customer Service telephone number indicated on the back of the Member's identification card.

HOSPITAL AND SKILLED NURSING FACILITY ADMISSIONS

Prior authorization must be obtained from Blue Shield for all Hospital and Skilled Nursing Facility admissions (except for admissions required for Emergency Services). Included are hospitalizations for continuing Inpatient Rehabilitation and skilled nursing care, transplants, bariatric surgery, and Inpatient Mental Health Services described later in this section.

Prior Authorization for Other than Mental Health Admissions

Whenever a Hospital or Skilled Nursing Facility admission is recommended by your Physician, you or your Physician must contact Blue Shield at the Customer Service telephone

number indicated on the back of the Member's identification card at least 5 business days prior to the admission. However, in case of an admission for Emergency Services, Blue Shield should receive emergency admission notification within 24 hours or by the end of the first business day following the admission, or as soon as it is reasonably possible to do so. Blue Shield will discuss the Benefits available, review the medical information provided and may recommend that to obtain the full Benefits of this health Plan that the Services be performed on an Outpatient basis.

Examples of procedures that may be recommended to be performed on an Outpatient basis if medical conditions do not indicate Inpatient care include:

1. Biopsy of lymph node, deep axillary;
2. Hernia repair, inguinal;
3. Esophagogastroduodenoscopy with biopsy;
4. Excision of ganglion;
5. Repair of tendon;
6. Heart catheterization;

8. Creation of arterial venous shunts (for hemodialysis).

Failure to contact Blue Shield as described or failure to follow the recommendations of Blue Shield will result in an additional payment per admission as described in the Additional and Reduced Payments for Failure to Use the Benefits Management Program section or may result in reduction or non-payment by Blue Shield if it is determined that the admission is not a covered Service.*

*Note: For admissions for special transplant Benefits and for bariatric Services for residents of designated counties, failure to receive prior authorization in writing and/or failure to have the procedure performed at a Blue Shield-designated facility will result in non-payment of services by Blue Shield. See Transplant Benefits and Bariatric Surgery Benefits for Residents of Designated Counties in California under the Covered Services section for details.

Prior Authorization for Inpatient Mental Health Services, Outpatient Partial Hospitalization, Intensive Outpatient Care and Outpatient ECT Services

All Inpatient Mental Health Services, Outpatient Partial Hospitalization, Intensive Outpatient Care and Outpatient ECT Services, except for Emergency Services, must be prior authorized by the MHSA.

For an admission for Emergency Mental Health Services, the MHSA should receive emergency admission notification within 24 hours or by the end of the first business day following the admission, or as soon as it is reasonably possible to do so, or the Subscriber may be responsible for the additional payment as described below.

For prior authorization of Inpatient Mental Health Services, Intensive Outpatient Care, Outpatient Partial Hospitalization and Outpatient ECT Services, call the MHSA at 1-877-263-9952.

Failure to contact Blue Shield or the MHSA as described above or failure to follow the recommendations of Blue Shield will result in an additional payment per admission as described in the Additional and Reduced Payments for Failure to Use the Benefits Management Program section or may result in reduction or non-payment by Blue Shield or the MHSA if it is determined that the admission is not a covered Service. For Outpatient Partial Hospitalization, Intensive Outpatient Care and Outpatient ECT Services, failure to contact Blue Shield or the MHSA as described above or failure to follow the recommendations of Blue Shield will result in non-payment of services by Blue Shield.

Note: Blue Shield or the MHSA will render a decision on all requests for prior authorization within 5 business days from receipt of the request. The treating provider will be notified of the decision within 24 hours followed by written notice to the provider and Subscriber within 2 business days of the decision. For urgent services in situations in which the routine decision making process might seriously jeopardize the life or health of a Member or when the Member is experiencing severe pain, Blue Shield will respond as soon as possible to accommodate the Member's condition not to exceed 72 hours from receipt of the request.

EMERGENCY ADMISSION NOTIFICATION

If you are admitted for Emergency Services, Blue Shield should receive emergency admission notification within 24 hours or by the end of the first business day following the admission, or as soon as it is reasonably possible to do so, or you may be responsible for the additional payment as described under the Additional and Reduced Payments for Failure to Use the Benefits Management Program section.

HOSPITAL INPATIENT REVIEW

Blue Shield monitors Inpatient stays. The stay may be extended or reduced as warranted by your condition, except in situations of maternity admissions for which the length of stay is 48 hours or less for a normal, vaginal delivery or 96 hours or less for a Cesarean section unless the attending Physician, in consultation with the mother, determines a shorter Hospital length of stay is adequate. Also, for mastectomies or mastectomies with lymph node dissections, the length of Hospital stays will be determined solely by your Physician in consultation with you. When a determination is made that the Member no longer requires the level of care available only in an Acute Care Hospital, written notification is given to you and your Doctor of Medicine. You will be responsible for any Hospital charges Incurred beyond 24 hours of receipt of notification.

DISCHARGE PLANNING

If further care at home or in another facility is appropriate following discharge from the Hospital, Blue Shield may work with you, your Physician and the Hospital discharge planners to determine whether benefits are available under this Plan to cover such care.

CASE MANAGEMENT

The Benefits Management Program may also include case management, which provides assistance in making the most efficient use of Plan Benefits. Individual case management may also arrange for alternative care benefits in place of prolonged or repeated hospitalizations, when it is determined to be appropriate through a Blue Shield review. Such alternative care benefits will be available only by mutual consent of all parties and, if approved, will not exceed the Benefit to which you would otherwise have been entitled under this Plan. Blue Shield is not obligated to provide the same or similar alternative care benefits to any other Member in any other instance. The approval of alternative benefits will be for a specific period of time and will not be construed as a waiver of Blue Shield's right to thereafter administer this health Plan in strict accordance with its express terms.

ADDITIONAL AND REDUCED PAYMENTS FOR FAILURE TO USE THE BENEFITS MANAGEMENT PROGRAM

For non-emergency services, additional payments may be required, or payments may be reduced, as described below, when a Subscriber or Dependent fails to follow the procedures described under the Prior Authorization and Hospital and Skilled Nursing Facility Admissions sections of the Benefits Management Program. These additional payments will be required in addition to any applicable Calendar Year Deductible, Copayment and amounts in excess of Benefit dollar maximums specified and will not be included in the calculation of the Subscriber's maximum Calendar Year Copayment responsibility.

1. Failure to contact Blue Shield as described under the Prior Authorization for Other than Mental Health Admissions section of the Benefits Management Program or failure to follow the recommendations of Blue Shield will result in an additional payment per Hospital or Skilled Nursing Facility admission as described below or may result in reduction or non-payment by Blue Shield if it is determined that the admission is not a covered Service.
 - *\$250 per Hospital or Skilled Nursing Facility admission.

Only one \$250 additional payment will apply to each Hospital admission for failure to follow the Benefits Management Program notification requirements or recommendations.

2. Failure to contact the MHSA for Inpatient Services as described under the Prior Authorization for Inpatient Mental Health Services section or for Substance Abuse Conditions as specified below, or failure to follow the recommendations of the MHSA will result in an additional payment per admission as described below or may result in reduction or non-payment by the MHSA if it is determined that the admission is not a covered Service.

- *\$250 per Hospital admission for Inpatient Care for diagnosis or treatment of Mental Health conditions;
- *\$250 per Hospital admission for the diagnosis or treatment of Substance Abuse Conditions if substance abuse coverage is selected as an optional Benefit by your Employer. Note: Inpatient Services which are Medically Necessary to treat the acute medical complications of detoxification are covered as part of the medical Benefits and are not considered to be treatment of the Substance Abuse Condition itself.

*Only one \$250 additional payment will apply per Hospital admission for failure to notify or to follow a recommendation of the MHSA.

3. Failure to obtain prior authorization or to follow the recommendations of Blue Shield for Outpatient Partial Hospitalization, Intensive Outpatient Care and Outpatient ECT Services, will result in non-payment of services by Blue Shield.
4. Failure to obtain prior authorization for the radiological procedures listed in the Benefits Management Program section under Prior Authorization or to follow the recommendations of Blue Shield will result in reduced payment amounts described below per procedure and may result in non-payment for procedures which are determined not to be covered Services.
5. For other covered Services requiring prior authorization that are not authorized in advance, the amount payable will be reduced by 50% after the calculation of the Deductible and any applicable Copayments required by this Plan. You will be responsible for the remaining 50% and applicable Deductible and/or Copayments;

For Services provided by a Non-Preferred Provider, the Subscriber will also be responsible for all charges in excess of the Allowable Amount.

DEDUCTIBLE

For Zero Deductible Plans, there is no Calendar Year Deductible for covered Services received from Preferred Providers, and the following Deductible and Services Not Subject to the Deductible sections only apply to covered Services received from Non-Preferred Providers.

CALENDAR YEAR DEDUCTIBLE (MEDICAL PLAN DEDUCTIBLE)

The Calendar Year per Member and per Family Deductible amounts are shown on the Summary of Benefits. After the Calendar Year Deductible is satisfied for those Services to which it applies, Benefits will be provided for covered Services. This Deductible must be made up of charges covered by the Plan. Charges in excess of the Allowable Amount do not apply toward the Deductible. The Deductible must be satisfied once during each Calendar Year by or on behalf of each Member separately, except that the Deductible shall be deemed satisfied with respect to the Subscriber and all of his covered Dependents collectively after the Family Deductible amount has been satisfied. Note: The Deductible also applies to a newborn child or a child placed for adoption, who is covered for the first 31 days even if application is not made to add the child as a Dependent on the Plan. The Calendar Year Deductible does not count toward the maximum Calendar Year Copayment responsibility.

SERVICES NOT SUBJECT TO THE DEDUCTIBLE

The Calendar Year Deductible applies to all covered Services Incurred during a Calendar Year except for certain Services as listed in the Summary of Benefits.

PRIOR CARRIER DEDUCTIBLE CREDIT

If you satisfied all or part of a medical Deductible under a health plan sponsored by your Employer or under an Individual and Family Health Plan (IFP) issued by Blue Shield during the same Calendar Year this Plan becomes effective, that amount will be applied to the medical Deductible required under this Plan.

Note: This Prior Carrier Deductible Credit provision applies only to new Employees who are enrolling on the original effective date of this Plan, if this health Plan allows credit of the medical Deductible from the Employer's previous health plan.

NO MEMBER MAXIMUM LIFETIME BENEFITS

There is no maximum limit on the aggregate payments by the Plan for covered Services provided under the Plan.

NO ANNUAL DOLLAR LIMIT ON ESSENTIAL BENEFITS

This Plan contains no annual dollar limits on essential benefits as defined by federal law.

PAYMENT

The Subscriber Copayment amounts, applicable Deductibles, and Copayment maximum amounts for covered Services are shown in the Summary of Benefits. The Summary

of Benefits also contains information on Benefit and Copayment maximums and restrictions.

Complete benefit descriptions may be found in the Principal Benefits and Coverages (Covered Services) section. Plan exclusions and limitations may be found in the Principal Limitations, Exceptions, Exclusions and Reductions section.

Out-of-Area Programs

Benefits will be provided for covered Services received outside of California within the United States. Blue Shield of California calculates the Subscriber's Copayment either as a percentage of the Allowable Amount or a dollar copayment, as defined in this booklet. When Covered Services are received in another state, the Subscriber's Copayment will be based on the local Blue Cross and/or Blue Shield plan's arrangement with its providers. See the BlueCard Program section in this booklet.

If you do not see a Participating Provider through the BlueCard Program, you will have to pay for the entire bill for your medical care and submit a claim to the local Blue Cross and/or Blue Shield plan, or to Blue Shield of California for payment. Blue Shield will notify you of its determination within 30 days after receipt of the claim. Blue Shield will pay you at the Non-Preferred Provider benefit level. Remember, your copayment is higher when you see a Non-Preferred Provider. You will be responsible for paying the entire difference between the amount paid by Blue Shield of California and the amount billed.

Charges for Services which are not covered, and charges by Non-Preferred Providers in excess of the amount covered by the plan, are the Subscriber's responsibility and are not included in copayment calculations.

To receive the maximum benefits of your plan, please follow the procedure below.

When you require covered Services while traveling outside of California:

1. call BlueCard Access[®] at 1-800-810-BLUE (2583) to locate Physicians and Hospitals that participate with the local Blue Cross and/or Blue Shield plan, or go on-line at <http://www.bcbs.com> and select the "Find a Doctor or Hospital" tab; and,
2. visit the Participating Physician or Hospital and present your membership card.

The Participating Physician or Hospital will verify your eligibility and coverage information by calling BlueCard Eligibility at 1-800-676-BLUE. Once verified and after Services are provided, a claim is submitted electronically and the Participating Physician or Hospital is paid directly. You may be asked to pay for your applicable copayment and plan Deductible at the time you receive the service.

You will receive an Explanation of Benefits which will show your payment responsibility. You are responsible for the copayment and plan Deductible amounts shown in the Explanation of Benefits.

Prior authorization is required for all Inpatient Hospital Services and notification is required for Inpatient Emergency Services. Prior authorization is required for selected Inpatient and Outpatient Services, supplies and durable medical equipment. To receive prior authorization from Blue Shield of California, the out-of-area provider should call the Customer Service telephone number indicated on the back of the Member's identification card.

If you need Emergency Services, you should seek immediate care from the nearest medical facility. The Benefits of this plan will be provided for covered Services received anywhere in the world for emergency care of an illness or injury.

Care for Covered Urgent Care and Emergency Services Outside the United States

Benefits will also be provided for covered Services received outside of the United States through the BlueCard Worldwide[®] Network. If you need urgent care while out of the country, call either the toll-free BlueCard Program Access number at 1-800-810-2583 or call collect at 1-804-673-1177, 24 hours a day, seven days a week. In an emergency, go directly to the nearest hospital. If your coverage requires precertification or prior authorization, you should call Blue Shield of California at the Customer Service telephone number indicated on the back of the Member's identification card. For inpatient hospital care at participating hospitals, show your I.D. card to the hospital staff upon arrival. You are responsible for the usual out-of-pocket expenses (non-covered charges, deductibles, and copayments).

When you receive services from a physician, you will have to pay the doctor and then submit a claim. Also for inpatient hospitalization, if you do not use the BlueCard Program Worldwide Network, you will have to pay the entire bill for your medical care and submit a claim form (with a copy of the bill) to Blue Shield of California.

Before traveling abroad, call your local Customer Service office for the most current listing of participating Hospitals worldwide or you can go on-line at <http://www.bcbs.com> and select "Find a Doctor or Hospital".

BlueCard Program

Blue Shield has a variety of relationships with other Blue Cross and/or Blue Shield Plans and their Licensed Controlled Affiliates ("Licensees") referred to generally as "Inter-Plan Programs." Whenever you obtain healthcare services outside of California, the claims for these services may be processed through one of these Inter-Plan Programs.

When you access Covered Services outside of California you may obtain care from healthcare providers that have a contractual agreement (i.e., are "participating providers") with the local Blue Cross and/or Blue Shield Licensee in that other geographic area ("Host Plan"). In some instances, you may obtain care from non-participating healthcare providers. Blue Shield's payment practices in both instances are described in this booklet.

Under the BlueCard® Program, when you obtain Covered Services within the geographic area served by a Host Plan, Blue Shield will remain responsible for fulfilling our contractual obligations. However the Host Blue is responsible for contracting with and generally handling all interactions with its participating healthcare providers.

The BlueCard Program enables you to obtain Covered Services outside of California, as defined, from a healthcare provider participating with a Host Plan, where available. The participating healthcare provider will automatically file a claim for the Covered Services provided to you, so there are no claim forms for you to fill out. You will be responsible for the member copayment and deductible amounts, if any, as stated in this booklet.

Whenever you access Covered Services outside of California and the claim is processed through the BlueCard Program, the amount you pay for covered healthcare services, if not a flat dollar copayment, is calculated based on the lower of:

1. The billed covered charges for your covered services; or
2. The negotiated price that the Host Plan makes available to Blue Shield.

Often, this “negotiated price” will be a simple discount that reflects an actual price that the Host Plan pays to your healthcare provider. Sometimes, it is an estimated price that takes into account special arrangements with your healthcare provider or provider group that may include types of settlements, incentive payments, and/or other credits or charges. Occasionally, it may be an average price, based on a discount that results in expected average savings for similar types of healthcare providers after taking into account the same types of transactions as with an estimated price.

Estimated pricing and average pricing, going forward, also take into account adjustments to correct for over- or underestimation of modifications of past pricing for the types of transaction modifications noted above. However, such adjustments will not affect the price Blue Shield uses for your claim because they will not be applied retroactively to claims already paid.

Laws in a small number of states may require the Host Plan to add a surcharge to your calculation. If any state laws mandate other liability calculation methods, including a surcharge, we would then calculate your liability for any covered healthcare services according to applicable law.

Claims for Covered Emergency Services are paid based on the Allowable Amount as defined in this booklet.

SUBSCRIBER’S MAXIMUM CALENDAR YEAR COPAYMENT RESPONSIBILITY

1. The per Member and per Family maximum Copayment responsibility each Calendar Year for covered Services rendered by Preferred Providers, MHSA Participating

Providers and Other Providers is shown on the Summary of Benefits.

2. The per Member and per Family maximum Copayment responsibility each Calendar Year for covered Services rendered by any combination of Preferred Providers, Non-Preferred Providers, MHSA Participating and Non-Participating Providers and Other Providers is shown on the Summary of Benefits.

Once a Member’s maximum responsibility has been met*, the Plan will pay 100% of the Allowable Amount for that Member’s covered Services for the remainder of that Calendar Year, except as described below. Once the Family maximum responsibility has been met*, the Plan will pay 100% of the Allowable Amount for the Subscriber’s and all covered Dependents’ covered Services for the remainder of that Calendar Year, except as described below.

Charges for Services which are not covered, charges above the Allowable Amount, charges in excess of the amount covered by the Plan, and reduced payments Incurred under the Benefits Management Program are the Subscriber’s responsibility and are not included in the maximum Calendar Year Copayment responsibility.

*Note: Certain Services and amounts are not included in the calculation of the maximum Calendar Year Copayment. These items are shown on the Summary of Benefits.

Charges for these items may cause a Subscriber’s payment responsibility to exceed the maximums.

Copayments and charges for Services not accruing to the Subscriber’s maximum Calendar Year Copayment responsibility continue to be the Subscriber’s responsibility after the Calendar Year Copayment maximum is reached.

MEDICAL NECESSITY EXCLUSION

The Benefits of this Plan are intended only for Services that are Medically Necessary. Because a Physician or other provider may prescribe, order, recommend, or approve a service or supply does not, in itself, make it medically necessary even though it is not specifically listed as an exclusion or limitation. Blue Shield of California reserves the right to review all claims to determine if a service or supply is medically necessary. Blue Shield of California may use the services of Doctor of Medicine consultants, peer review committees of professional societies or Hospitals and other consultants to evaluate claims. Blue Shield of California may limit or exclude benefits for services which are not necessary.

PRE-EXISTING CONDITIONS

Pre-existing Conditions are covered immediately if you were validly covered under your present employer's previous group health plan when that plan was terminated and are enrolled on the original effective date of this Plan within 63 days of the termination of that previous plan, except that,

If you or your Dependents were enrolled in the previous group health plan for less than 6 months and were Totally Disabled on the date of discontinuance of the previous group health plan and were entitled to an extension of benefits under Section 1399.62 of the California Health and Safety Code or Section 10128.2 of the California Insurance Code, you or your Dependents will not be entitled to any benefits under this Plan for services or expenses directly related to any condition which caused such Total Disability for a period not to exceed 6 months. Blue Shield will credit the time you or your Dependents were covered under the prior Creditable Coverage toward this Plan's Pre-existing Condition exclusion.

If you or any Dependent was not validly covered under your present employer's previous group health plan, then coverage under this Plan is provided for Pre-existing Conditions only after you have been continuously covered for 6 consecutive months including your present employer's waiting period, if any.

However, if you or your Dependents had prior Creditable Coverage and you enrolled in this Plan within 63 days after termination (exclusive of any waiting period) of the prior Creditable Coverage or within 180 days (exclusive of the waiting period) if your prior Creditable Coverage was Employer-sponsored, then Blue Shield will credit the time you or your Dependents were covered under the prior Creditable Coverage toward this Plan's Pre-existing Condition exclusion.

To receive credit for your prior Creditable Coverage, submit to Blue Shield a certificate from your prior employer, insurer, or health plan which shows the period of time you were covered under the prior Creditable Coverage. If you are unable to obtain the certificate, you should contact Blue Shield of California's Customer Service area for assistance.

This Plan's Pre-existing Condition exclusion does not apply to:

1. pregnancy Benefits;
2. newborns or children placed for adoption who had prior Creditable Coverage within 30 days of the birth, or placement for adoption, who enrolled in this Plan within 63 days of that prior Creditable Coverage (exclusive of any waiting period);
3. Members under the age of 19.

LIMITATIONS FOR DUPLICATE COVERAGE

When you are eligible for Medicare

1. Your Blue Shield group plan will provide benefits before Medicare in the following situations:
 - a. When you are eligible for Medicare due to age, if the Subscriber is actively working for a group that employs 20 or more employees (as defined by Medicare Secondary Payer laws).
 - b. When you are eligible for Medicare due to disability, if the Subscriber is covered by a group that employs 100 or more employees (as defined by Medicare Secondary Payer laws).
 - c. When you are eligible for Medicare solely due to end-stage renal disease during the first 30 months that you are eligible to receive benefits for end-stage renal disease from Medicare.
2. Your Blue Shield group plan will provide benefits after Medicare in the following situations:
 - a. When you are eligible for Medicare due to age, if the Subscriber is actively working for a group that employs less than 20 employees (as defined by Medicare Secondary Payer laws).
 - b. When you are eligible for Medicare due to disability, if the Subscriber is covered by a group that employs less than 100 employees (as defined by Medicare Secondary Payer laws).

- c. When you are eligible for Medicare solely due to end-stage renal disease after the first 30 months that you are eligible to receive benefits for end-stage renal disease from Medicare.
- d. When you are retired and age 65 years or older.

When your Blue Shield group plan provides benefits after Medicare, the combined benefits from Medicare and your Blue Shield group plan may be lower but will not exceed the Medicare allowed amount. Your Blue Shield group plan Deductible and Copayments will be waived.

When you are eligible for Medi-Cal

Medi-Cal always provides benefits last.

When you are a qualified veteran

If you are a qualified veteran your Blue Shield group plan will pay the reasonable value or Blue Shield’s Allowable Amount for covered Services provided to you at a Veterans Administration facility for a condition that is not related to military service. If you are a qualified veteran who is not on active duty, your Blue Shield group plan will pay the reasonable value or Blue Shield’s Allowable Amount for covered Services provided to you at a Department of Defense facility, even if provided for conditions related to military service.

When you are covered by another government agency

If you are also entitled to benefits under any other federal or state governmental agency, or by any municipality, county or other political subdivision, the combined benefits from that coverage and your Blue Shield group plan will equal, but not exceed, what Blue Shield would have paid if you were not eligible to receive benefits under that coverage (based on the reasonable value or Blue Shield’s Allowable Amount).

Contact the Customer Service department at the telephone number shown at the end of this document if you have any questions about how Blue Shield coordinates your group plan benefits in the above situations.

EXCEPTION FOR OTHER COVERAGE

Participating Providers and Preferred Providers may seek reimbursement from other third party payers for the balance of their reasonable charges for Services rendered under this Plan.

CLAIMS REVIEW

Blue Shield of California reserves the right to review all claims to determine if any exclusions or other limitations apply. Blue Shield of California may use the services of Physician consultants, peer review committees of professional societies or Hospitals and other consultants to evaluate claims.

REDUCTIONS – THIRD PARTY LIABILITY

If a Member is injured or becomes ill due to the act or omission of another person (a “third party”), Blue Shield shall, with respect to Services required as a result of that injury, provide the Benefits of the Plan and have an equitable right to restitution, reimbursement or other available remedy to recover the amounts Blue Shield paid for Services provided to the Member on a fee-for-service basis from any recovery (defined below) obtained by or on behalf of the Member, from or on behalf of the third party responsible for the injury or illness or from uninsured/underinsured motorist coverage.

Blue Shield’s right to restitution, reimbursement or other available remedy is against any recovery the Member receives as a result of the injury or illness, including any amount awarded to or received by way of court judgment, arbitration award, settlement or any other arrangement, from any third party or third party insurer, or from uninsured or underinsured motorist coverage, related to the illness or injury (the “Recovery”), without regard to whether the Member has been “made whole” by the Recovery. Blue Shield’s right to restitution, reimbursement or other available remedy is with respect to that portion of the total Recovery that is due Blue Shield for the Benefits it paid in connection with such injury or illness, calculated in accordance with California Civil Code section 3040.

The Member is required to:

1. Notify Blue Shield in writing of any actual or potential claim or legal action which such Member expects to bring or has brought against the third party arising from the alleged acts or omissions causing the injury or illness, not later than 30 days after submitting or filing a claim or legal action against the third party; and,
2. Agree to fully cooperate and execute any forms or documents needed to enforce this right to restitution, reimbursement or other available remedies; and
3. Agree in writing to reimburse Blue Shield for Benefits paid by Blue Shield from any Recovery when the Recovery is obtained from or on behalf of the third party or the insurer of the third party, or from uninsured or underinsured motorist coverage; and,
4. Provide Blue Shield with a lien in the amount of Benefits actually paid. The lien may be filed with the third party, the third party's agent or attorney, or the court, unless otherwise prohibited by law; and,
5. Periodically respond to information requests regarding the claim against the third party, and notify Blue Shield, in writing, within 10 days after any Recovery has been obtained.

A Member's failure to comply with 1. through 5. above shall not in any way act as a waiver, release, or relinquishment of the rights of Blue Shield.

Further, if the Member receives Services from a Participating Hospital for such injuries or illness, the Hospital has the right to collect from the Member the difference between the amount paid by Blue Shield and the Hospital's reasonable and necessary charges for such Services when payment or reimbursement is received by the Member for medical expenses. The Hospital's right to collect shall be in accordance with California Civil Code Section 3045.1.

IF THIS PLAN IS PART OF AN EMPLOYEE WELFARE BENEFIT PLAN SUBJECT TO THE EMPLOYEE RETIREMENT INCOME SECURITY ACT OF 1974 ("ERISA"), THE MEMBER

IS ALSO REQUIRED TO DO THE FOLLOWING:

1. Ensure that any Recovery is kept separate from and not comingled with any other funds or the Member's general assets and agree in writing that the portion of any Recovery required to satisfy the lien or other right of Recovery of the plan is held in trust for the sole benefit of the plan until such time it is conveyed to Blue Shield;
2. Direct any legal counsel retained by the Member or any other person acting on behalf of the Member to hold that portion of the Recovery to which the plan is entitled in trust for the sole benefit of the plan and to comply with and facilitate the reimbursement to the plan of the monies owed it.

COORDINATION OF BENEFITS

When a Member who is covered under this group Plan is also covered under another group plan, or selected group, or blanket disability insurance contract, or any other contractual arrangement or any portion of any such arrangement whereby the members of a group are entitled to payment of or reimbursement for Hospital or medical expenses, such Member will not be permitted to make a "profit" on a disability by collecting benefits in excess of actual cost during any Calendar Year. Instead, payments will be coordinated between the plans in order to provide for "allowable expenses" (these are the expenses that are Incurred for services and supplies covered under at least one of the plans involved) up to the maximum benefit amount payable by each plan separately.

If the covered Member is also entitled to benefits under any of the conditions as outlined under the Limitations for Duplicate Coverage provision, benefits received under any such condition will not be coordinated with the benefits of this Plan.

The following rules determine the order of benefit payments:

When the other plan does not have a coordination of benefits provision it will always provide its benefits first. Otherwise, the plan covering the Member as an Employee will provide its benefits before the plan covering the Member as a Dependent.

Except for cases of claims for a Dependent child whose parents are separated or divorced, the plan which covers the Dependent child of a Member whose date of birth (excluding year of birth), occurs earlier in a Calendar Year, will determine its benefits before a plan which covers the Dependent child of a Member whose date of birth (excluding year of birth), occurs later in a Calendar Year. If either plan does not have the provisions of this paragraph regarding

Dependents, which results either in each plan determining its benefits before the other or in each plan determining its benefits after the other, the provisions of this paragraph will not apply, and the rule set forth in the plan which does not have the provisions of this paragraph will determine the order of benefits.

1. In the case of a claim involving expenses for a Dependent child whose parents are separated or divorced, plans covering the child as a Dependent will determine their respective benefits in the following order:

First, the plan of the parent with custody of the child; then, if that parent has remarried, the plan of the stepparent with custody of the child; and finally the plan(s) of the parent(s) without custody of the child.

2. Regardless of (1.) above, if there is a court decree which otherwise establishes financial responsibility for the medical, dental or other health care expenses of the child, then the plan which covers the child as a Dependent of that parent will determine its benefits before any other plan which covers the child as a Dependent child.
3. If the above rules do not apply, the plan which has covered the Member for the longer period of time will determine its benefits first, provided that:
 - a. a plan covering a Member as a laid-off or retired Employee, or as a Dependent of that Member will determine its benefits after any other plan covering that Member as an Employee, other than a laid-off or retired Employee, or such Dependent; and
 - b. if either plan does not have a provision regarding laid-off or retired Employees, which results in each plan determining its benefits after the other, then paragraph (a.) above will not apply.

If this Plan is the primary carrier in the case of a covered Member, then this Plan will provide its Benefits without making any reduction because of benefits available from any other plan, except that Physician Members and other Participating Providers may collect any difference between their billed charges and this Plan's payment, from the secondary carrier(s).

If this Plan is the secondary carrier in the order of payments, and Blue Shield of California is notified that there is a dispute as to which plan is primary, or that the primary plan has not paid within a reasonable period of time, this Plan will pay the benefits that would be due as if it were the primary plan, provided that the covered Member (1) assigns to Blue Shield of California the right to receive benefits from the other plan to the extent of the difference between the benefits which Blue Shield of California actually pays and the amount that Blue Shield of California would have been obligated to pay as the secondary plan, (2) agrees to cooperate fully with Blue Shield of California in obtaining payment of benefits from the other plan, and (3) allows Blue Shield of California to obtain confirmation from the other plan that the benefits which are claimed have not previously been paid.

If payments which should have been made under this Plan in accordance with these provisions have been made by another plan, Blue Shield may pay to the other plan the amount necessary to satisfy the intent of these provisions. This amount shall be considered as Benefits paid under this Plan. Blue Shield shall be fully discharged from liability under this Plan to the extent of these payments.

If payments have been made by Blue Shield in excess of the maximum amount of payment necessary to satisfy these provisions, Blue Shield shall have the right to recover the excess from any person or other entity to or with respect to whom such payments were made.

Blue Shield may release to or obtain from any organization or person any information which Blue Shield considers necessary for the purpose of determining the applicability of and implementing the terms of these provisions or any provisions of similar purpose of any other plan. Any person claiming Benefits under this Plan shall furnish Blue Shield with such information as may be necessary to implement these provisions.

TERMINATION OF BENEFITS AND CANCELLATION PROVISIONS

TERMINATION OF BENEFITS

Except as specifically provided under the Extension of Benefits provision, and, if applicable, the Continuation of Group Coverage provision, there is no right to receive benefits for services provided following termination of this health Plan.

Coverage for you or your Dependents terminates at 11:59 p.m. Pacific Time on the earliest of these dates: (1) the date the Group Health Service Contract is discontinued, (2) the last day of the month in which the Subscriber's employment terminates, unless a different date has been agreed to between Blue Shield and your Employer, (3) the date as indicated in the Notice Confirming Termination of Coverage that is sent to the Employer (see "Cancellation for Non-Payment of Dues – Notices"), or (4) the last day of the month in which you or your Dependents become ineligible. A spouse also becomes ineligible following legal separation from the Subscriber, entry of a final decree of divorce, annulment or dissolution of marriage from the Subscriber. A Domestic Partner becomes ineligible upon termination of the domestic partnership.

If you cease work because of retirement, disability, leave of absence, temporary layoff, or termination, see your Employer about possibly continuing group coverage. Also see the Individual Conversion Plan provision, and, if applicable, the Continuation of Group Coverage provision in this booklet for information on continuation of coverage.

If your Employer is subject to the California Family Rights Act of 1991 and/or the federal Family & Medical Leave Act of 1993, and the approved leave of absence is for family leave under the terms of such Act(s), your payment of Dues will keep your coverage in force for such period of time as

specified in such Act(s). Your Employer is solely responsible for notifying you of the availability and duration of family leaves.

Blue Shield of California may terminate your and your Dependent's coverage for cause immediately upon written notice to you and your Employer for the following:

1. Material information that is false, or misrepresented information provided on the enrollment application or given to your Employer or Blue Shield of California; see the Cancellation/Rescission for Fraud or Intentional Misrepresentations of Material Fact provision;
2. Permitting use of your Subscriber identification card by someone other than yourself or your Dependents to obtain Services; or
3. Obtaining or attempting to obtain Services under the Group Health Service Contract by means of false, materially misleading, or fraudulent information, acts or omissions.

If a written application for the addition of a newborn or a child placed for adoption is not submitted to and received by Blue Shield within the 31 days following that Dependent's effective date of coverage, Benefits under this Plan will be terminated on the 31st day at 11:59 p.m. Pacific Time.

REINSTATEMENT, CANCELLATION AND RESCISSION PROVISIONS

Reinstatement

If you had been making contributions toward coverage for you and your Dependents and voluntarily cancelled such coverage, you may apply for reinstatement. You or your Dependents must wait until the earlier of 12 months from the date of application to be reinstated or at the Employer's next open enrollment period. Blue Shield will not consider applications for earlier effective dates.

Cancellation Without Cause

This group health Plan may be cancelled by your Employer at any time provided written notice is given to Blue Shield of California to become effective upon receipt, or on a later date as may be specified by the notice.

Cancellation for Non-Payment of Dues - Notices

Blue Shield of California may cancel this group health Plan for non-payment of Dues. If your Employer fails to pay the required Dues when due, coverage will end 31 days after the date for which Dues are due. Your Employer will be liable for all Dues accrued while this Plan continues in force including those accrued during the 31-day grace period.

Blue Shield of California will mail your Employer a Notice Confirming Termination of Coverage. Your Employer must

provide you with a copy of the Notice Confirming Termination of Coverage.

In addition, Blue Shield of California will send you a HIPAA certificate which will state the date on which your coverage terminated, the reason for the termination, and the number of months of creditable coverage which you have. The certificate will also summarize your rights for continuing coverage on a guaranteed issue basis under HIPAA and on Blue Shield of California's conversion plan. For more information on conversion coverage and your rights to HIPAA coverage, please see the section on "Availability of Blue Shield of California Individual Plans".

Cancellation/Rescission for Fraud or Intentional Misrepresentations of Material Fact

Blue Shield of California may cancel or rescind the group contract for fraud or intentional misrepresentation of material fact by your Employer, or with respect to coverage of Employees or Dependents, for fraud or intentional misrepresentation of material fact by the Employee, Dependent, or their representative.

If you are hospitalized or undergoing treatment for an ongoing condition and the group contract is cancelled for any reason, including non-payment of Dues, no benefits will be provided unless you obtain an Extension of Benefits.

Fraud or intentional misrepresentations of material fact on an application or a health statement (if a health statement is required by the Employer) may, at the discretion of Blue Shield, result in the cancellation or rescission of this group health Plan. Cancellations are effective on receipt or on such later date as specified in the cancellation notice. A rescission voids the Contract retroactively as if it was never effective; Blue Shield will provide written notice prior to any rescission.

In the event the contract is rescinded or canceled, either by Blue Shield of California or your Employer, it is your Employer's responsibility to notify you of the rescission or cancellation.

Right of Cancellation

If you are making any contributions toward coverage for yourself or your Dependents, you may cancel such coverage to be effective at the end of any period for which Dues have been paid.

If your Employer does not meet the applicable eligibility, participation and contribution requirements of the group contract, Blue Shield of California will cancel this Plan after 30 days' written notice to your Employer.

Any Dues paid Blue Shield of California for a period extending beyond the cancellation date will be refunded to your Employer. Your Employer

will be responsible to Blue Shield of California for unpaid Dues prior to the date of cancellation.

Blue Shield of California will honor all claims for covered Services provided prior to the effective date of cancellation.

See the Cancellation/Rescission for Fraud or Intentional Misrepresentations of Material Fact provision for termination for misrepresentations of material fact or omissions.

GRACE PERIOD

After payment of the first Dues, the Contractholder is entitled to a grace period of 31 days for the payment of any Dues due. During this grace period, the Contract will remain in force. However, the Contractholder will be liable for payment of Dues accruing during the period the Contract continues in force.

EXTENSION OF BENEFITS

If a Member becomes Totally Disabled while validly covered under this Plan and continues to be Totally Disabled on the date the group contract terminates, Blue Shield of California will extend the Benefits of this Plan, subject to all limitations and restrictions, for covered Services and supplies directly related to the condition, illness, or injury causing such Total Disability until the first to occur of the following: (1) 12 months from the date coverage terminated; (2) the date the covered Member is no longer Totally Disabled; (3) the date on which the covered Member's maximum Benefits are reached; (4) the date on which a replacement carrier provides coverage to the Member that is not subject to a Pre-existing Condition exclusion. The time the Member was covered under this Plan will apply toward the replacement plan's pre-existing condition exclusion.

No extension will be granted unless Blue Shield of California receives written certification of such Total Disability from a licensed Doctor of Medicine (M.D.) within 90 days of the date on which coverage was terminated, and thereafter at such reasonable intervals as determined by Blue Shield of California.

GROUP CONTINUATION COVERAGE AND INDIVIDUAL CONVERSION PLAN

CONTINUATION OF GROUP COVERAGE

Please examine your options carefully before declining this coverage. You should be aware that companies selling individual health insurance typically require a review of your medical history that could result in a higher premium or you could be denied coverage entirely.

Applicable to Members when the Subscriber's Employer (Contractholder) is subject to either Title X of the Consoli-

dated Omnibus Budget Reconciliation Act (COBRA) as amended or the California Continuation Benefits Replacement Act (Cal-COBRA). The Subscriber's Employer should be contacted for more information.

In accordance with the Consolidated Omnibus Budget Reconciliation Act (COBRA) as amended and the California Continuation Benefits Replacement Act (Cal-COBRA), a Member will be entitled to elect to continue group coverage under this Plan if the Member would otherwise lose coverage because of a Qualifying Event that occurs while the contract holder is subject to the continuation of group coverage provisions of COBRA or Cal-COBRA. The benefits under the group continuation of coverage will be identical to the benefits that would be provided to the Member if the Qualifying Event had not occurred (including any changes in such coverage).

Note: A Member will not be entitled to benefits under Cal-COBRA if at the time of the qualifying event such Member is entitled to benefits under Title XVIII of the Social Security Act ("Medicare") or is covered under another group health plan that provides coverage without exclusions or limitations with respect to any pre-existing condition. Under COBRA, a Member is entitled to benefits if at the time of the qualifying event such Member is entitled to Medicare or has coverage under another group health plan. However, if Medicare entitlement or coverage under another group health plan arises after COBRA coverage begins, it will cease.

Qualifying Event

A Qualifying Event is defined as a loss of coverage as a result of any one of the following occurrences.

1. With respect to the Subscriber:
 - a. the termination of employment (other than by reason of gross misconduct); or
 - b. the reduction of hours of employment to less than the number of hours required for eligibility.
2. With respect to the Dependent spouse or Dependent Domestic Partner* and Dependent children (children born to or placed for adoption with the Subscriber or Domestic Partner during a COBRA or Cal-COBRA continuation period may be immediately added as Dependents, provided the Contractholder is properly notified of the birth or placement for adoption, and such children are enrolled within 30 days of the birth or placement for adoption):

*Note: Domestic Partners and Dependent children of Domestic Partners cannot elect COBRA on their own, and are only eligible for COBRA if the Subscriber elects to enroll. Domestic Partners and Dependent children of Domestic Partners may elect to enroll in Cal-COBRA on their own.

- a. the death of the Subscriber; or

- b. the termination of the Subscriber's employment (other than by reason of such Subscriber's gross misconduct); or
 - c. the reduction of the Subscriber's hours of employment to less than the number of hours required for eligibility; or
 - d. the divorce or legal separation of the Subscriber from the Dependent spouse or termination of the domestic partnership; or
 - e. the Subscriber's entitlement to benefits under Title XVIII of the Social Security Act ("Medicare"); or
 - f. a Dependent child's loss of Dependent status under this Plan.
3. For COBRA only, with respect to a Subscriber who is covered as a retiree, that retiree's Dependent spouse and Dependent children, the Employer's filing for reorganization under Title XI, United States Code, commencing on or after July 1, 1986.
 4. With respect to any of the above, such other Qualifying Event as may be added to Title X of COBRA or the California Continuation Benefits Replacement Act (Cal-COBRA).

Notification of a Qualifying Event

1. With respect to COBRA enrollees:

The Member is responsible for notifying the Employer of divorce, legal separation, or a child's loss of Dependent status under this Plan, within 60 days of the date of the later of the Qualifying Event or the date on which coverage would otherwise terminate under this Plan because of a Qualifying Event.

The Employer is responsible for notifying its COBRA administrator (or Plan administrator if the Employer does not have a COBRA administrator) of the Subscriber's death, termination, or reduction of hours of employment, the Subscriber's Medicare entitlement or the Employer's filing for reorganization under Title XI, United States Code.

When the COBRA administrator is notified that a Qualifying Event has occurred, the COBRA administrator will, within 14 days, provide written notice to the Member by first class mail of the Member's right to continue group coverage under this Plan. The Member must then notify the COBRA administrator within 60 days of the later of (1) the date of the notice of the Member's right to continue group coverage or (2) the date coverage terminates due to the Qualifying Event.

If the Member does not notify the COBRA administrator within 60 days, the Member's coverage will terminate on the date the Member would have lost coverage because of the Qualifying Event.

2. With respect to Cal-COBRA enrollees:

The Member is responsible for notifying Blue Shield in writing of the Subscriber's death or Medicare entitlement,

of divorce, legal separation, termination of a domestic partnership or a child's loss of Dependent status under this Plan. Such notice must be given within 60 days of the date of the later of the Qualifying Event or the date on which coverage would otherwise terminate under this Plan because of a Qualifying Event. Failure to provide such notice within 60 days will disqualify the Member from receiving continuation coverage under Cal-COBRA.

The Employer is responsible for notifying Blue Shield in writing of the Subscriber's termination or reduction of hours of employment within 30 days of the Qualifying Event.

When Blue Shield is notified that a Qualifying Event has occurred, Blue Shield will, within 14 days, provide written notice to the Member by first class mail of the Member's right to continue group coverage under this Plan. The Member must then give Blue Shield notice in writing of the Member's election of continuation coverage within 60 days of the later of (1) the date of the notice of the Member's right to continue group coverage or (2) the date coverage terminates due to the Qualifying Event. The written election notice must be delivered to Blue Shield by first-class mail or other reliable means.

If the Member does not notify Blue Shield within 60 days, the Member's coverage will terminate on the date the Member would have lost coverage because of the Qualifying Event.

If this Plan replaces a previous group plan that was in effect with the Employer, and the Member had elected Cal-COBRA continuation coverage under the previous plan, the Member may choose to continue to be covered by this Plan for the balance of the period that the Member could have continued to be covered under the previous plan, provided that the Member notify Blue Shield within 30 days of receiving notice of the termination of the previous group plan.

Duration and Extension of Continuation of Group Coverage

Cal-COBRA enrollees will be eligible to continue Cal-COBRA coverage under this Plan for up to a maximum of 36 months regardless of the type of Qualifying Event.

COBRA enrollees who reach the 18-month or 29-month maximum available under COBRA, may elect to continue coverage under Cal-COBRA for a maximum period of 36 months from the date the Member's continuation coverage began under COBRA. If elected, the Cal-COBRA coverage will begin after the COBRA coverage ends.

Note: COBRA enrollees must exhaust all the COBRA coverage to which they are entitled before they can become eligible to continue coverage under Cal-COBRA.

In no event will continuation of group coverage under COBRA, Cal-COBRA or a combination of COBRA and Cal-COBRA be extended for more than 3 years from the date the Qualifying Event has occurred which originally entitled the Member to continue group coverage under this Plan.

Note: Domestic Partners and Dependent children of Domestic Partners cannot elect COBRA on their own, and are only eligible for COBRA if the Subscriber elects to enroll. Domestic Partners and Dependent children of Domestic Partners may elect to enroll in Cal-COBRA on their own.

Notification Requirements

The Employer or its COBRA administrator is responsible for notifying COBRA enrollees of their right to possibly continue coverage under Cal-COBRA at least 90 calendar days before their COBRA coverage will end. The COBRA enrollee should contact Blue Shield for more information about continuing coverage. If the enrollee elects to apply for continuation of coverage under Cal-COBRA, the enrollee must notify Blue Shield at least 30 days before COBRA termination.

Payment of Dues

Dues for the Member continuing coverage shall be 102 percent of the applicable group dues rate if the Member is a COBRA enrollee, or 110 percent of the applicable group dues rate if the Member is a Cal-COBRA enrollee, except for the Member who is eligible to continue group coverage to 29 months because of a Social Security disability determination, in which case, the dues for months 19 through 29 shall be 150 percent of the applicable group dues rate.

Note: For COBRA enrollees who are eligible to extend group coverage under COBRA to 29 months because of a Social Security disability determination, dues for Cal-COBRA coverage shall be 110 percent of the applicable group dues rate for months 30 through 36.

If the Member is enrolled in COBRA and is contributing to the cost of coverage, the Employer shall be responsible for collecting and submitting all dues contributions to Blue Shield of California in the manner and for the period established under this Plan.

Cal-COBRA enrollees must submit dues directly to Blue Shield of California. The initial dues must be paid within 45 days of the date the Member provided written notification to the Plan of the election to continue coverage and be sent to Blue Shield by first-class mail or other reliable means. The dues payment must equal an amount sufficient to pay any required amounts that are due. Failure to submit the correct amount within the 45-day period will disqualify the Member from continuation coverage.

Effective Date of the Continuation of Coverage

The continuation of coverage will begin on the date the Member's coverage under this Plan would otherwise terminate due to the occurrence of a Qualifying Event and it will continue for up to the applicable period, provided that coverage is timely elected and so long as dues are timely paid.

Termination of Continuation of Group Coverage

The continuation of group coverage will cease if any one of the following events occurs prior to the expiration of the applicable period of continuation of group coverage:

1. discontinuance of this group health service contract (if the Employer continues to provide any group benefit plan for employees, the Member may be able to continue coverage with another plan);
2. failure to timely and fully pay the amount of required dues to the COBRA administrator or the Employer or to Blue Shield of California as applicable. Coverage will end as of the end of the period for which dues were paid;
3. the Member becomes covered under another group health plan that does not include a Pre-existing Condition exclusion or limitation provision that applies to the Member;
4. the Member becomes entitled to Medicare;
5. the Member commits fraud or deception in the use of the Services of this Plan.

Continuation of group coverage in accordance with COBRA or Cal-COBRA will not be terminated except as described in this provision. In no event will coverage extend beyond 36 months.

CONTINUATION OF GROUP COVERAGE FOR MEMBERS ON MILITARY LEAVE

Continuation of group coverage is available for Members on military leave if the Member's Employer is subject to the Uniformed Services Employment and Re-employment Rights Act (USERRA). Members who are planning to enter the Armed Forces should contact their Employer for information about their rights under the USERRA. Employers are responsible to ensure compliance with this act and other state and federal laws regarding leaves of absence including the California Family Rights Act, the Family and Medical Leave Act, and Labor Code requirements for Medical Disability.

AVAILABILITY OF BLUE SHIELD OF CALIFORNIA INDIVIDUAL PLANS

Blue Shield's Individual Plans described below may be available to Members whose group coverage, COBRA or Cal-COBRA coverage is terminated or expires while covered under this group Plan.

INDIVIDUAL CONVERSION PLAN

Continued Protection

Regardless of age, physical condition, or employment status, you may continue Blue Shield of California protection when you retire, leave the job, or become ineligible for group coverage. If you have held group coverage for three or more consecutive months, you and your enrolled Dependents may apply to transfer to an individual conversion plan then being issued by Blue Shield.

Your Employer is solely responsible for notifying you of the availability, terms, and conditions of the individual conversion plan within 15 days of termination of the Plan contract.

An application and first Dues payment for the individual conversion plan must be received by Blue Shield of California within 63 days of the date of termination of your group coverage. However, if the group contract is replaced by your Employer with similar coverage under another contract within 15 days, transfer to the individual conversion health plan will not be permitted. You will not be permitted to transfer to the individual conversion plan under any of the following circumstances:

1. You failed to pay amounts due the Plan;
2. You were terminated by the Plan for good cause or for fraud or misrepresentation;
3. You knowingly furnished incorrect information or otherwise improperly obtained the Benefits of the Plan;
4. You are covered or eligible for Medicare;
5. You are covered or eligible for Hospital, medical or surgical benefits under state or federal law or under any arrangement of coverage for individuals in a group, whether insured or self-insured; and,
6. You are covered for similar benefits under an individual policy or contract.

Benefits or rates of an individual conversion health plan are different from those in your group Plan.

A conversion plan is also available to:

1. Dependents, if the Subscriber dies;
2. Dependents who marry or exceed the maximum age for Dependent coverage under the group Plan;
3. Dependents, if the Subscriber enters military service;
4. Spouse or Domestic Partner of a Subscriber if their marriage or domestic partnership has been terminated;
5. Dependents, when continuation of coverage under COBRA and/or Cal-COBRA expires, or is terminated.

When a Dependent reaches the limiting age for coverage as a Dependent, or if a Dependent becomes ineligible for any of the other reasons given above, it is your responsibility to inform Blue Shield. Upon receiving notification, Blue Shield of California will offer such Dependent an individual conversion plan for purposes of continuous coverage.

Guaranteed Issue Individual Coverage

Under the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and under California law, you may be entitled to apply for certain of Blue Shield's individual health plans on a guaranteed issue basis (which means that you will not be rejected for underwriting reasons if you meet the other eligibility requirements, you live or work in Blue Shield's service area and you agree to pay all required Dues). You may also be eligible to purchase similar cover-

age on a guaranteed issue basis from any other health plan that sells individual coverage for hospital, medical or surgical benefits. Not all Blue Shield individual plans are available on a guaranteed issue basis under HIPAA. To be eligible, you must meet the following requirements:

- You must have at least 18 or more months of creditable coverage.
- Your most recent coverage must have been group coverage (COBRA and Cal-COBRA are considered group coverage for these purposes).
- You must have elected and exhausted all COBRA and/or Cal-COBRA coverage that is available to you.
- You must not be eligible for nor have any other health insurance coverage, including a group health plan, Medicare or Medi-Cal.
- You must make application to Blue Shield for guaranteed issue coverage within 63 days of the date of termination from the group plan.

If you elect Conversion Coverage or other Blue Shield individual plans, you will waive your right to this guaranteed issue coverage. For more information, contact a Blue Shield Customer Service representative at the telephone number noted on your ID Card.

GENERAL PROVISIONS

LIABILITY OF SUBSCRIBERS IN THE EVENT OF NON-PAYMENT BY BLUE SHIELD

In accordance with Blue Shield's established policies, and by statute, every contract between Blue Shield of California and its Participating Providers and Preferred Providers stipulates that the Subscriber shall not be responsible to the Participating Provider or Preferred Provider for compensation for any Services to the extent that they are provided in the Subscriber's group contract. Participating Providers and Preferred Providers have agreed to accept the Plan's payment as payment-in-full for covered Services, except for the Deductibles, Copayments, amounts in excess of specified Benefit maximums, or as provided under the Exception for Other Coverage provision and the Reductions section regarding Third Party Liability.

If Services are provided by a Non-Preferred Provider, the Subscriber is responsible for all amounts Blue Shield of California does not pay.

When a Benefit specifies a Benefit maximum and that Benefit maximum has been reached, the Sub-

scriber is responsible for any charges above the Benefit maximums.

INDEPENDENT CONTRACTORS

Providers are neither agents nor employees of the Plan but are independent contractors. In no instance shall the Plan be liable for the negligence, wrongful acts, or omissions of any person receiving or providing Services, including any Physician, Hospital, or other provider or their employees.

NON-ASSIGNABILITY

Coverage or any Benefits of this Plan may not be assigned without the written consent of Blue Shield of California. Possession of a Blue Shield of California ID card confers no right to Services or other Benefits of this Plan. To be entitled to Services, the Member must be a Subscriber who has been accepted by the Employer and enrolled by Blue Shield of California and who has maintained enrollment under the terms of this Plan.

Participating Providers and Preferred Providers are paid directly by Blue Shield. The Member or the provider of Service may not request that payment be made directly to any other party.

If the Member receives Services from a Non-Preferred Provider, payment will be made directly to the Subscriber, and the Subscriber is responsible for payment to the Non-Preferred Provider. The Member or the provider of Service may not request that the payment be made directly to the provider of Service.

PLAN INTERPRETATION

Blue Shield of California shall have the power and discretionary authority to construe and interpret the provisions of this Plan, to determine the Benefits of this Plan and determine eligibility to receive Benefits under this Plan. Blue Shield of California shall exercise this authority for the Benefits of all Members entitled to receive Benefits under this Plan.

Subscribers, a designated representative, or a provider on behalf of the Subscriber may contact the MHSA by telephone, letter, or online to request a review of an initial determination concerning a claim or service. Subscribers may contact the MHSA at the telephone number as noted below. If the telephone inquiry to the MHSA's Customer Service Department does not resolve the question or issue to the Subscriber's satisfaction, the Subscriber may request a grievance at that time, which the Customer Service Representative will initiate on the Subscriber's behalf.

The Subscriber, a designated representative, or a provider on behalf of the Subscriber may also initiate a grievance by submitting a letter or a completed "Grievance Form". The Subscriber may request this Form from the MHSA's Customer Service Department. If the Subscriber wishes, the MHSA's Customer Service staff will assist in completing the Grievance Form. Completed grievance forms must be mailed to the MHSA at the address provided below. The Subscriber may also submit the grievance to the MHSA online by visiting <http://www.blueshieldca.com>.

The MHSA will acknowledge receipt of a grievance within 5 calendar days. Grievances are resolved within 30 days. The grievance system allows Subscribers to file grievances for at least 180 days following any incident or action that is the subject of the Subscriber's dissatisfaction. See the previous Customer Service section for information on the expedited decision process.

If the grievance involves an MHSA Non-Participating Provider, the Subscriber should contact the appropriate Blue Shield Customer Service Department as shown on the last page of this booklet.

Note: If your Employer's health Plan is governed by the Employee Retirement Income Security Act ("ERISA"), you may have the right to bring a civil action under Section 502(a) of ERISA if all required reviews of your claim have been completed and your claim has not been approved. Ad-

ditionally, you and your plan may have other voluntary alternative dispute resolution options, such as mediation.

EXTERNAL INDEPENDENT MEDICAL REVIEW

If your grievance involves a claim or services for which coverage was denied by Blue Shield or by a contracting provider in whole or in part on the grounds that the service is not Medically Necessary or is experimental/investigational (including the external review available under the Friedman-Knowles Experimental Treatment Act of 1996), you may choose to make a request to the Department of Managed Health Care to have the matter submitted to an independent agency for external review in accordance with California law. You normally must first submit a grievance to Blue Shield and wait for at least 30 days before you request external review; however, if your matter would qualify for an expedited decision as described above or involves a determination that the requested service is experimental/investigational, you may immediately request an external review following receipt of notice of denial. You may initiate this review by completing an application for external review, a copy of which can be obtained by contacting Customer Service. The Department of Managed Health Care will review the application and, if the request qualifies for external review, will select an external review agency and have your records submitted to a qualified specialist for an independent determination of whether the care is Medically Necessary. You may choose to submit additional records to the external review agency for review. There is no cost to you for this external review. You and your physician will receive copies of the opinions of the external review agency. The decision of the external review agency is binding on Blue Shield; if the external reviewer determines that the service is Medically Necessary, Blue Shield will promptly arrange for the Service to be provided or the claim in dispute to be paid. This external review process is in addition to any other procedures or remedies available to you and is completely voluntary on your part; you are not obligated to request external review. However, failure to participate in external review may cause you to give up any statutory right to pursue legal action against Blue Shield regarding the disputed service. For more information regarding the external review process, or to request an application form, please contact Customer Service.

DEPARTMENT OF MANAGED HEALTH CARE REVIEW

The California Department of Managed Health Care is responsible for regulating health care service plans. If you have a grievance against your health Plan, you should first telephone your health Plan at **the number provided on the last page of this booklet** and use your health Plan's grievance process before contacting the Department. Utilizing this grievance procedure does not prohibit any potential legal rights or remedies that may be available to you. If you need help with a grievance involving an emergency, a grievance that has not been satisfactorily resolved

by your health Plan, or a grievance that has remained unresolved for more than 30 days, you may call the Department for assistance. You may also be eligible for an Independent Medical Review (IMR). If you are eligible for IMR, the IMR process will provide an impartial review of medical decisions made by a health plan related to the medical necessity of a proposed service or treatment, coverage decisions for treatments that are experimental or investigational in nature, and payment disputes for emergency or urgent medical services. The Department also has a toll-free telephone number **(1-888-HMO-2219)** and a TDD line **(1-877-688-9891)** for the hearing and speech impaired. The Department's Internet Web site, (<http://www.hmohelp.ca.gov>), has complaint forms, IMR application forms, and instructions online.

In the event that Blue Shield should cancel or refuse to renew the enrollment for you or your Dependents and you feel that such action was due to reasons of health or utilization of benefits, you or your Dependents may request a review by the Department of Managed Health Care Director.

This plan's prescription drug coverage is on average equivalent to or better than the standard benefit set by the federal government for Medicare Part D (also called creditable coverage). Because this plan's prescription drug coverage is creditable, you do not have to enroll in a Medicare prescription drug plan while you maintain this coverage. However, you should be aware that if you have a subsequent break in this coverage of 63 days or more anytime after you were first eligible to enroll in a Medicare prescription drug plan, you could be subject to a late enrollment penalty in addition to your Part D premium.

Outpatient Prescription Drug Benefits

The following prescription drug Benefit is separate from the health plan coverage. The Calendar Year Maximum Copayment, and the Coordination of Benefits provision do not apply to this Outpatient Prescription Drug Benefit; however, the general provisions and exclusions of the group health service contract shall apply.

Benefits are provided for Outpatient prescription Drugs which meet all of the requirements specified in this supplement, are prescribed by a Physician, and are obtained from a licensed Pharmacy. Drug coverage is based on the use of Blue Shield's Outpatient Drug Formulary, which is updated on an ongoing basis by Blue Shield's Pharmacy and Therapeutics Committee. Non-Formulary Drugs may be covered subject to higher Copayments. Select Drugs and Drug dosages and most Specialty Drugs require prior authorization by Blue Shield for Medical Necessity, appropriateness of therapy or when effective, lower cost alternatives are available. Your Physician may request prior authorization from Blue Shield.

Coverage for selected Drugs may be limited to a specific quantity as described in "Limitation on Quantity of Drugs that May Be Obtained Per Prescription or Refill".

Outpatient Drug Formulary

Medications are selected for inclusion in Blue Shield's Outpatient Drug Formulary based on safety, efficacy, FDA bioequivalency data and then cost. New drugs and clinical data are reviewed regularly to update the Formulary. Drugs considered for inclusion or exclusion from the Formulary are reviewed by Blue Shield's Pharmacy and Therapeutics Committee during scheduled meetings four times a year.

Benefits may be provided for Non-Formulary Drugs subject to higher Copayments.

Members may call the Blue Shield Customer Service department at the number listed on their Blue Shield Identification Card to inquire if a specific drug is included in the Formulary. The Customer Service department can also provide Members with a printed copy of the Formulary. Members may also access the Formulary through the Blue Shield of California web site at <http://www.blueshieldca.com>.

These Services are provided through a separate network of MHSA Participating Providers.

Note that MHSA Participating Providers are only those Providers who participate in the MHSA network and have contracted with the MHSA to provide Substance Abuse Condition Services to Blue Shield Member. A Blue Shield Preferred/Participating Provider may not be an MHSA Participating Provider. MHSA Participating Providers agree to accept the MHSA's payment, plus your Copayment, as payment-in-full for covered Substance Abuse Condition Services. This is not true of MHSA Non-Participating Providers; therefore, it is to your advantage to obtain Substance Abuse Condition Services from MHSA Participating Providers.

It is your responsibility to ensure that the Provider you select for Substance Abuse Condition Services is an MHSA Participating Provider. MHSA Participating Providers are indicated in the Blue Shield of California Behavioral Health

- for Inpatient Hospital and Professional Services, an additional Member payment of \$250 for each Hospital admission;
- for Outpatient Partial Hospitalization, Intensive Outpatient Care; and ECT services, non-payment of services by Blue Shield.

Benefits are provided for Medically Necessary Services for Substance Abuse Conditions, as defined in your Evidence of Coverage and Disclosure Form, and as specified in this supplement. Residential care is not covered.
