Fostering A School Community

Dear Lake Center Parents,

Lake Center Middle School prides itself on creating and sustaining a vibrant, supportive school community. Starting in May, we invite all incoming 5th grade students to participate in activities which seek to familiarize students with our school. Moreover, during the 6th grade orientation day, 8th grade students team up with our 6th graders to engage them in a number of fun activities with the goal of ensuring our incoming 6th graders are ready to go on the first day of school. The name of this program is Where Everybody Belongs (WEB).

Throughout the year, our 8th grade WEB leaders partner with our 6th grade students to ensure their link to upper classmates continues. Recently 6th grade students learned ways to be proactive in their WEB groups by focusing on The Seven Habits of Highly Effective Teens, page H-2 in the student planner. WEB is a piece of our school programs that foster a school community. In addition to WEB, Lake Center also participates in Friendship Week which took place from 9/24-28.

This week, Lake Center counselors supported students in making new friends, saying hello to others they may not know, and taking a photo in our photo booth with their new friends. We also anticipate participating in a Week of Kindness and a Week of Compassion this winter and spring. These events, much like WEB and the Friendship Week, seek to support all students as they move through their middle school experience.

Yours, Principal Sokoloff

Lake Center Middle School Common Area Expectations	
Pride	<ul style="list-style-type: none"> 🐾 Clean up after yourself 🐾 Demonstrate good citizenship
Respect	<ul style="list-style-type: none"> 🐾 Throw away all trash in receptacles 🐾 Treat equipment with respect 🐾 Keep food in designated areas
