Dear Parents,

Thank you for choosing Catholic education for your child(ren). Our mission is to help your children grow in holiness and provide excellence in education. As a Catholic School, we operate at a deficit each year. Tuition revenue only covers a portion of the cost to educate the children in our school. Indicated below is the amount of tuition, the actual cost of education, and the difference therein for 2019-2020.

We are offering families the opportunity to pay for the entire cost of the education of their children. There is no pressure and we respect the financial constraints of those who are unable. This payment of the difference between the actual cost of education and tuition can be made directly to the parish at your convenience, separate please from your normal weekly contribution. This payment of the difference in cost, or any amount you choose to contribute, is tax-deductible.

	<u>Annual Tuition</u>	<u>Actual Full Cost</u>	<u>Difference</u>
1 child	\$4,818	\$5,727	\$909
2 children	\$7,546	\$11,454	\$3,908
3 children or more	\$8,888	\$17,181	\$8,293

Our family will pay an additional _____ towards the actual full cost of tuition. We understand this amount is tax-deductible and that it will be paid separately from tuition. This payment should be made directly to the parish office any time during the 2019-2020 school year.

***Please return this form with your registration documents only if you elect to contribute.**
