Message from the Principal:

Parents,

Thank you for another great school year at Stone Canyon Elementary. As always, it is a blessing to watch the teachers and students work together and to achieve success in the classroom. Each year brings new adventures and exciting experiences that nurture a love of learning and an excitement for what lies ahead! As a staff, we appreciate all the support you showed us during the school year.

The district profiles from the Office of Educational Quality and Accountability show the test results and other district information for the 2016-2017 school year. Test results for the 2017-2018 school year will be made available in the Fall of 2018.

I hope all of you have a wonderful summer that is filled with wonderful memories☺

Sincerely,

George Holderman
