

How to Reset Your ParentVUE/ StudentVUE Password

- 1) Go the ParentVUE/ StudentVUE website by going to <https://www.clioschools.org>, and clicking on either the Parent or Student menu. Click on either ParentVUE, or StudentVUE.

2) Click on the “more options” button underneath the Login button.

Click More Options.

3) Click on the button that says “Forgot Password”. Enter the email address that you have on file for Synergy (for parents this would be the email address submitted with your emergency card; for students this would be your Clio email address.) Synergy will then send you a password reset link to that email address.
