

Dear Superior Families,

We hope you and your children have had a great school year! As the new school year approaches, we would like to start a new morning traffic valet program to make dropping of your child a safer and easier process. To do so, we need to have 5-10 parents volunteer 20 minutes each morning to help with the program. There will be training for the volunteers by the LAUSD Police Department so we can provide the safest drop off for the students.

If you are interested in helping launch our new program please fill out the form below and return it to the main office by Monday, June 4, 2018.

Thank you,
Julie Meyer
Parent Center Community Representative
