

## **Fine Arts Registration for Rising 6th Graders**

DUE February 7th, 2019

Fifth graders have an exciting choice to make for their sixth grade fine arts elective. They may choose between art, band, choir, or orchestra. The counselors have met with each homeroom class and discussed what factors to consider when making this important decision and what factors should not be part of the decision.

### **Things NOT to factor into your decision when making your Fine Arts choice:**

- 1) Do not consider which elective friends are enrolling in, because there is no guarantee they will be together.
- 2) Do not consider experience level when picking a fine art class. All classes are beginner level and no experience is required.
- 3) Do not consider homework or practice time be a deterrent as all fine arts classes have some outside time required.
- 4) We do not want cost to be a deterrent. If there is a concern please contact one of the fine arts teachers or counselors.

### **Things TO consider when making your Fine Arts choice:**

- 1) This is a year long commitment. **We will not change fine arts electives during the school year.**
- 2) **Please research each elective by reading over the information provided on the website and pick the one for which they have the most passion.** The information can be found by going to the Lovejoy ISD website > Campuses > Sloan Creek > Parents > Academic Information > 2019 - 2020 Fine Arts Registration Information.

Once students and parents have explored all options and are ready to commit to a choice, it is time to complete the form. We need **every 5th Grade student to complete one of the Google Forms** on the website or at the following links by **February 7th, 2019: Only complete one form per student.**

Visual Art - Limited spots - <https://goo.gl/forms/1LkOngDsdzTubOqg2>

Please remember that this elective will meet for one period every day. This is a year long commitment, so please make sure your child is ready and they know the expectations for each choice. If you have any questions or concerns, please let us know. Thanks!!
