

**KIPP New Orleans**  
**3 - 8 Distance Learning Plan for Families**

Families,

The safety, health and security of our families are our primary concern and we will do whatever we can to support in this endeavor. You are part of our team and family and we will do whatever it takes to be there for each other. The information included in this letter is to inform you about how we will ensure that your children continue to have opportunities to learn while schools are under mandatory closure.

We want to provide as many resources as possible to your students so that they can continue to build on the work that they have done throughout the year. We have put together materials and created a plan that is as accessible as possible. Below, you will find details for logistics, expectations and other key information. **Please do not hesitate to reach out for clarification and additional information.**

**Overview** - Students have been given materials to complete work for their core content classes (Math, ELA, Social Studies and Science) and teachers will be available via phone to support.

**Assignments:**

1. **ELA & Math:** You will receive a test prep book for math and ELA. We have included a calendar below that gives you daily assignments from these books.
2. **Reading:** Independent reading is one of the best ways for us to keep our reading muscles strong. Students should track their daily independent reading on their reading logs.
3. **Science & SS:** You have received your Science and Social Studies study guides. You will work through the study guides, answering the questions according to the pacing below.

**What will communication with my teachers look like?**

- Your homeroom teacher will be in touch with your child on a daily basis to support in completing the work and answering any questions that you might have. This counts as their attendance. They are also who you should reach out to first with any questions.
- Teachers will also have office hours for each class where you are able to call to talk about specific questions for that class. These will be from 12:00pm - 2:00pm on a daily basis.

**Expectations for Two Week Closure** - We will continue to follow local guidance on school closures. Our initial plan accounts for up to a two week closure. Your child should spend a minimum of 30 minutes per subject per day studying materials and doing the assigned practice tasks and problems. Completed work will be returned when school reopens for a grade.

<b>Math</b>	<b>ELA</b>
<ul style="list-style-type: none"><li>● 30 minutes daily - Practice Problems from Ready Common Core Math Book</li></ul>	<ul style="list-style-type: none"><li>● 30 minutes daily - Daily lesson from Ready Common Core ELA Book</li><li>● 30 minutes daily - Independent Reading</li></ul>
<b>Social Studies</b>	<b>Science</b>
<ul style="list-style-type: none"><li>● 30 minutes daily - Study Guide Review</li></ul>	<ul style="list-style-type: none"><li>● 30 minutes daily - Study Guide Review</li></ul>

**Expectations if Closure is Extended Beyond Two Weeks** - In the event that local authorities extend the closure beyond two weeks, we will transition to a virtual learning plan. Students will utilize Google Classroom to receive daily lessons around new content.

- Students log into **classroom.google.com** on a daily basis (they have already registered in school for this)
- Student username is - **firstname.lastname@kipstudent.org** and your password is **kip1000**
- Students should expect 60 - 120 minutes of work per day

**Paper-Based Closure Assignment Calendar** - Students will complete paper-based assignments for the first two weeks of school closure. IReady Test Prep books will be used in Math and ELA. Study Guides will be used in Social Studies and Science. The Pacing Guides for this work for grades 3-8 is below.

Thank you for making the best of a difficult situation. The safety of you and your children is our top priority. We are here to help make sure that learning continues for your child. Please reach out with any questions.

Sincerely,

The KIPP New Orleans Team
