| | |
|------------|---|
| 20 minutes | Rhyming game: How many words can you find that rhyme with _____? One person chooses a word, and the other person has to think of as many as possible. Write them down. Then switch. |
|------------|---|

| | |
|---------------|---|
| 20-30 minutes | Sing your favorite song. Write down/have someone help you write down the words. Sing along while pointing to the words. |
|---------------|---|

| | |
|------------|--|
| 30 minutes | Use popsicle sticks, toothpicks or any straight line object to make patterns with the rhythms you know. Read the rhythms to your family, use different syllables to perform, add clapping and challenge yourself by just clapping. |
|------------|--|

| | |
|------------|--|
| 20 minutes | Ask a family member to teach you a song that they would sing when they were younger. |
|------------|--|

| | |
|------------|---|
| 15 minutes | Teach a song or singing game from music class to a family member. |
|------------|---|

| | |
|------------|---|
| 40 minutes | Build your own instrument out of a straw https://www.instructables.com/id/how-to-make-a-straw-instrument-straw-flute/ |
|------------|---|

| | |
|------------|---|
| 15 minutes | 4th and 5th graders who are able, practice your recorder songs. |
|------------|---|

| | |
|------------|--|
| 20 minutes | Chorus and Recorder kids, please keep practicing your concert materials as best you can. |
|------------|--|

Keeping Healthy Songs
