Application For Employee Transfer From A Public Charter School

To the Board of Trustees:

I am applying for a transfer from a public charter school in this district to the traditional public school in this district. I understand that the board of trustees may approve my application if all of the following are true.

1. I have been employed by this district on either an annual or a renewable contract for the school year prior to my employment at the public charter school.
2. I have completed this written application to the board of trustees and submitted it no later than April 1 for the following school year for a transfer to the traditional public school in this district.
3. I have included documentation with this application showing that my employment at the public charter school was continuous from school year to school year.
4. I verify that none of my actions at the charter school might lead to my dismissal under this district's policies.

I also understand the following:

1. If any of my actions at the charter school might, under this district's policies, warrant my dismissal, I may not be automatically approved for transfer. In such event, I will be afforded all the due process rights entitled to by law.
2. The board of trustees will notify me, in writing, no later than May 15 whether my transfer has been approved.
3. If I have been approved for transfer to the traditional public school system in this district, I will be given an opportunity to sign an employment contract with this district no later than May 15 for a renewable contract and no later than May 25 for an annual contract.
4. I will be assigned to a position within the district in accord with the needs of the district, as determined by the superintendent or designee.
