2020-2021

STUDENT REGISTRATION

SVHS parents and students: Due to recommendations from the Health Department, we will not be able to implement our annual on-campus Registration event during the Month of July.

Registration for the 2020-2021 school year will be completed online. Parents will need to access their Illuminate Parent Portal to complete the Digital Registration Packet. Registration forms will be available on the parent portal beginning May 26th. Please complete your forms as soon as possible.

Click HERE to access your Parent Portal.

NEW STUDENTS TO THE DISTRICT

If you are a NEW student to our district please click HERE to complete pre-registration. Once you complete this step you will be contacted by our school registrar, Alicia Madrigal for follow-up instructions.

PARENTS WHO DO NOT HAVE A PARENT PORTAL:

Parents need an active email account, if you need to create one, below are instructions on creating a GMAIL account. Once you have an email account, please email or call Glenda Barrios for assistance with setting up your parent portal GJBarrrios488@bpusd.net

How to Create a Gmail Account

- Go to the Google Account Creation Page.
- Enter your first and last name.
- Choose a username for your account. If you prefer to use an existing email address, choose the I prefer to use my current email address option located below the username field.
- Enter a password.
- Enter the month, day, and year of your birthday in the specified fields.
