Community service opportunities: If you would like to help Mr. Strom and his wife with some spring yard work on a Saturday, please stop by the office or see Mrs. Schonert as soon possible.

Also, Mrs. Berke has a large yard that needs to be cleaned up. A sign-up sheet is on the table outside the office. Mrs. Berke will contact you to coordinate a day and time.

Congratulations to Noah Mallett! He was selected as one of four concerto soloists who will perform his marimba solo, accompanied by the Grand Rapids Youth Symphony, on Friday night, May 10 at Western Michigan University as part of the Michigan Youth Arts Festival. Simply being nominated is an incredible honor—an honor that Noah has earned three times—and this is now the second time he has been *selected* to perform as a soloist for the festival. He made his first featured appearance as a sophomore when he performed with the Detroit Symphony.

We are happy for Noah and are extremely proud of him for the recognition he has received.

Need a job? Check out these employment offers!

■ Both Country Inn and Suites and Hampton Inn have positions open and are interested in hiring high school students. The rate of pay will be \$9.45; you must be at least 16 years-old to be considered. Pick up an application from their front desks.

■ Rose Lake Youth Camp is looking for outdoor-oriented counselors. If you would enjoy helping kids learn about nature and teamwork, this is your chance to take a step in leadership! Pick up a flyer from the table outside the office, call 863.327.5011, 231.250.1775 or go to www.roselakeyouthcamp.org for more information.

■ The Huron-Manistee National Forest will be filling two Youth Conservation Corps (YCC) positions at the Baldwin Ranger Station. The term of employment is June 9-August 13, so this would be an ideal job for a senior. Pay is \$9.25/hour. Application packets are on the table in the office hallway; applications must be received by April 29.

The United States YCC is a summer youth employment program that engages young people in work experiences on national parks, forests, wildlife refuges, and fish hatcheries while developing an ethic of environmental stewardship and civic responsibility.

Equestrian Sign-Ups. Sign-up sheets for both the junior and senior equestrian teams are on the table in the office hallway. The junior team consists of 5th-8th grade, and any interested 7th and 8th grade students need to sign up by April 12. Practices will start soon along with a show in June. The senior team is for high school students and will compete in the fall.

If you have any questions regarding either team, please see Mrs. Schultz.

NHS blood drive. The next National Honor Society blood drive is coming up on Wednesday, April 24, 8:30am-2:30pm. If you were signed up to donate in January you will be on the list to donate this time. If you would like to sign up or aren't sure if you are already signed up, please see Mary Wendlowsky. This is the last NHS sponsored blood drive of the school year; for seniors, this means it is your last chance to earn a red cord unless you donate at a different location.

Reserve your copy of the 2018-19 yearbook. The year captured in full color—your friends and teachers, the clubs and sports teams, the day-to-day activities and the special events—will all be there in a one-a-kind, hard cover yearbook. The cost is \$35. Mrs. Hansen can take your order or you can place it [on line](#) using CCA's order code: 13387219.
