

Durand has changed over the years, but it is still a small town that cares about educating young people.

Please join the Durand Area Schools Educational Foundation as we work to enhance educational opportunities for Durand Area School students. Through gifts from businesses and individuals, the Foundation is able to raise and distribute funds that give young people extraordinary learning experiences beyond regular public funding.

Individuals donate for a variety of personal reasons. Perhaps you care to:

- ▶ Remember someone you love or respect
- ▶ Maintain an interest in your school district
- ▶ Demonstrate your leadership and support of education
- ▶ Support your financial or estate planning through philanthropic tax advantages

Your contribution will support programs, enrichment activities and projects
