

## **Block M Award 2018-2019**

At the end of each school year the Block M Award is presented to students who have excelled in both their academic work and extracurricular activities. This is the highest award presented to students of St. Michael's High School. Students in all grades are eligible for this award. Recipients of the Block M Award are well-rounded, true scholars who are involved in the life of the school. Students on disciplinary probation are not eligible to apply for the Block M Award. Award eligibility is determined by collecting at least 80 total points from academics (honor roll) and St. Michael's sponsored extracurricular activities. The criteria for determining eligibility is listed below. The number of possible points that can be earned for extracurricular activities is found on the second page of this document.

### **Academic Points**

Honor Roll is determined each trimester by the trimester academic and conduct grades. At least 55 points must be obtained through honor rolls. Points are earned as follows:

**Principal's Honor Roll: 25 points per trimester**

All A's. Only letter grades are used for this honor roll.

**"A" Honor Roll: 20 points per trimester**

3.6 GPA or above with no C's or below and no more than two C's or below in Conduct.

**"B" Honor Roll: 15 points per trimester**

3.0 GPA or above with no D's or below and no more than two C's or below in Conduct.

**Enrollment in one or more AP class: 5 points total**

### **Extracurricular Point**

A minimum of 20 points must be earned in at least two school sponsored activities. Students can earn between 0–15 points per activity. The coach/moderator determines the number of points earned by the student, depending on the maximum assigned to each club or sport as published on the Block M form.

Listed below are all of the eligible activities and the potential number of points a student may earn for the Block M award for the 2017-2018 academic year.
