Dear Parent or Guardian:

During the Fall 2018-2019 school year we will be administering a substance abuse survey to our students in 8th grade. This survey will offer our school district valuable information on the behaviors of our students in relation to tobacco, alcohol, and other mood altering substances. The survey will be collected via computer, and confidentially by an outside agency, Visible Trends. We will have no individual information on any student's answers.

Survey participation will be completely voluntary. We will have a copy of the survey questions in the front office for any parent to review, if they choose to do so. By signing below, you are allowing your child to participate in the survey.

Please contact Jill Preis at 201-553-6883, or your child's school principal, if you have any further questions.

Sincerely,

Christine Candela

Principal, Secaucus Middle School
