School Annual Education Report (AER) Cover Letter

May 8, 2018

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2016-17 educational progress for Lakeview High School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Assistant Principal, Russel Woodruff for assistance.

The AER is available for you to review electronically by visiting the following web site <https://goo.gl/UpjNqa> , or you may review a copy in the main office at your child's school.

For the 2016-17 school year, schools were identified using new definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has three or more underperforming student subgroups. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state. Some schools are not identified with any of these labels. In these cases, no label is given.

Lakeview High School has not been given one of these labels.

Our school improvement goals will continue to focus on the achievement gap of our African American sub-group in the areas of math, reading, science and writing. Instruction will continue to focus on strategies and that are aligned to the MMC and SAT assessment. Achievement of the SIP will be consistently monitored for its effectiveness. We will continue to offer supplemental classes to address the needs of our struggling learners in the areas of math and reading.

Lakeview High School is currently in the fourth year of the School Improvement

Plan (SIP). Lakeview High has five goal areas of the SIP. The goals are as follows:

- Reading: 72% of all students will demonstrate a proficiency in reading and comprehending complex texts in English Language Arts by 06/9/2018 as measured by student performance on the SAT/PSAT, NWEA and SIP assessments.
- Math: 50% of all students will demonstrate a proficiency in number sense and problem solving in Mathematics by 06/11/2018 as measured by SAT/PSAT, NWEA, and SIP Assessments.
- Writing: 70% of all students will demonstrate a proficiency in grammar and mechanics in English Language Arts by 06/15/2018 as measured by SAT/PSAT, NWEA, and SIP Assessments.
- Science: 60% of all students will demonstrate a proficiency interpreting charts and graphs in Science by 06/09/2018 as measured by SAT/PSAT, NWEA, and SIP Assessments.
- Identify ninth grade at risk students at Lakeview High School who will participate in the district's model for Positive Behavior Intervention and Support.

Community stakeholders may obtain a copy of the Lakeview High School curriculum through the web at: <http://www.lakeview.misd.net/lakeviewhs/counseling.aspx> or through the main office. The curriculum is implemented throughout grades 9-12.

State law requires that we provide the following information.

1. Students are assigned to Lakeview High School based on Board of Education adopted boundaries.
2. Lakeview High School is current in the 4TH year of the School Improvement Plan. Lakeview High School along with Lakeview Public Schools has been awarded NCA Accreditation through North Central AdvancEd.
3. In addition to many options within the district, students have dual enrollment options at Wayne State University, Baker College and Macomb Community College.
4. Lakeview High School implements the Michigan Merit Curriculum (CCSS). Lakeview High School uses Rubicon Atlas to house curriculum documents and assessments. Teachers can access pacing guides, essential questions, common assessments, and activities based on the CCSS.
