

Community Health Walks

(Updated 9-10-19)

As part of the requirements for Honor Society, students must participate in **two** Community Health Walks. **This year, we are allowing students and families to attend any Community Health Walk that is best for you.**

In lieu of service tickets being distributed by IS 7 staff members, we are requiring students who attend a Community Health Walk to **take and print a photograph of him/her self** that clearly shows he/she attended the event. The photograph will replace the service ticket for the Honors Society Application. Emailed pictures will not be accepted.

IS 7 will be holding the third annual Community Health Walk to benefit Mission Mutt-i-grees, the organization that brought us our school Comfort Dog, Sugar. The IS 7 Mission Mutt-i-grees Walk will be held on **Saturday April 4, 2020. We are hoping students choose to participate in our event as one of the two required walks.**

Community Health Walks that students/families can choose to participate in include but are not limited to:

- Bella Lisa Pancreatic Cancer Walk: Sunday September 29, 2019 at 1:00pm; Clove Lakes Park
- Michael's Cause: Step for a Cure: Sunday September 22, 2019; 9am Runners (\$30 per ticket), 10am Walkers (\$15 per ticket); Midland Beach Boardwalk (Seaview Ave)
