Dear RLISD Students and Parents,

It is time for a little more paperwork compliance. You all should have received our TEA Report Card information (TAPR) back in November then again in January along with TEA's latest A-F Report. Now the U.S. government has issued a report card as well. You will find the links listed below to online TEA sites where you can view them whenever you are ready. You will find it looks almost like the TAPR released by the State back in November and again in January. If you wish to have a hard copy printed for you, please let your campus principal know and they will take care of it for you. If you lose these links, they will also be posted on our RLISD webpage under "About Us" and "Required Postings".
