DIANA RIOPEDRE 6th Grade

I have been working at Rancho Viejo Middle School for the past 2 years. I am beyond excited and grateful to be your 6th grade counselor!!!

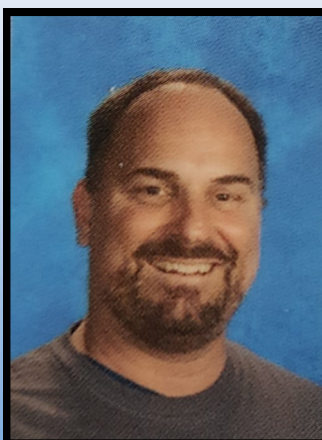

One of my favorite quotes is from Maya Angelou:
“I’ve learned that people will forget what you said, people will forget what you did, but people will never forget how you made

CHELSEY HALLBERG 7th Grade

I have been a School Counselor for 12 years in Hemet Unified School District. This is going to be my 8th year at RVMS.

I believe that all students have a chance to succeed and that no two humans are created equal. What we do now, how we act and who we are will be remembered long after we are gone.

DAVE KIRKENDALL 8th Grade

I have been a school counselor for 12 years now working with all grade levels K-12. Two of those years were spent in the Colton school district as a middle school counselor.

I love my job because I get a “double paycheck.” Not only do I get monetary compensation, but I also get to be a part of building and supporting individuals.
