

Dear FSHISD Parents,

First and foremost, I hope this message finds you all healthy and happy. Know that all of us at FSHISD have been thinking about you and your children.

During this extended school closure, our teachers will still be able to deliver engaging instruction to your children. While some of that instruction may be in the form of paper packets, some of it will be delivered online. You will soon receive detailed information about your child's at home instruction from your campus administrators and your child's teachers. We at FSHISD want to do all we can to ensure all our students can access that instruction.

The majority of our Cole students already possess a school issued Chromebook. That device will give them the online access they need. In fact, *any* device that can connect to the internet will provide your child with access to all the resources our teachers will use in the coming weeks. But, if your child does not currently have access to a computer, we want to help.

If you are in need of a Chromebook laptop for your child during our school closure, fill out the form found [HERE](#) and we will prepare a Chromebook for your child. The Chromebook will be available for pickup this Saturday, March 21st. The specific time and location will be determined once we know how many families need devices. If you sign up for a device, we will email you further details. (In order to adhere to public gathering guidelines issued by the city and CDC, this will be a "drive up" distribution.)

Please understand that we have a limited number of devices we can loan out. We kindly ask that you request a device only if your child does not have a computer readily available to them. Again, any computer with internet access will give them access to the tools needed during our school closure.

Also, if your child attends Cole and has a Chromebook in their possession that is in need of repair, please fill out the form found [HERE](#). We will arrange for a new Chromebook to be issued at the Saturday, March 21 pickup.

If you have any questions, please do not hesitate to email me at [rrios@fshisd.net](mailto:rrios@fshisd.net). If you need assistance with your child's Google account username or password, please feel free to email one of the following:

FSH Elementary School Digital Learning Coach, Ms. Jeannine Freeman at [jfreeman@fshisd.net](mailto:jfreeman@fshisd.net) or Cole Digital Learning Coach, Mr. Wacey Tobler at [wtobler@fshisd.net](mailto:wtobler@fshisd.net).

Stay healthy!
