

QUEEN OF ALL SAINTS SCHOOL

2019-2020 School Year

Dear Parent(s):

Re: MILK SERVICE - 2019-2020 SCHOOL YEAR - STUDENTS IN GRADES
KINDERGARTEN-GRADE 8 AND FULL DAY PRE-K 3 and 4 YEAR OLDS

Milk service for the 2019-2020 school year will begin on the first full day of school. If you wish to order milk for your child/children this year, please complete the Milk Order Form and return it to school by August 15. Inasmuch as milk orders are processed separately from other accounts, we would ask that you please issue a **SEPARATE CHECK** for the MILK FEE. The completed Milk Order form, along with your payment, should be returned to school by August 15.

The cost of milk this year will be **\$30.00** per child in Grades Kindergarten - 8 and children in full day Pre-K 3's and 4's. Queen of All Saints School participates in the Special Milk Program, and the milk fee is based on the current rate of reimbursement, the numbers of days on which milk is served, and the current charge by the dairy. During the course of the year, if circumstances arise which may necessitate an adjustment, you will be notified.

Thank you.
