

Sea World 2nd Grade Overnight Field Trip November Update

We now have our dates and cost of the Sea World Overnight finalized! The trip will be March 21st – March 22nd and the cost is \$160 for students and \$160 for parents. We're happy to say the cost stayed the same this year!

Our 2nd grade students have the opportunity to experience their first overnight field trip with TVCS. They will have the excitement of sleeping in one of the animal encounter areas (Penguin or Turtle Reef), interacting with the animals, and exploring the park. The cost of the trip will include dinner, a hot breakfast, and a T-shirt. Students and parents will leave after school on the first day and return in the afternoon on the second day. All participants must leave from TVCS and return to the school the following day. Per school policy, participants may not meet us at the venue or leave early from the venue.

Dates: March 21-22, 2019

Cost: Students \$160, Adults \$160

Overnight field trips are optional and thus all costs are paid for by the parents. At this grade, one parent may attend per student. Please note that the cost is per person. Participants will be expected to help supervise **all** students attending.

Parents interested in participating must have completed all requirements of the TVCS Volunteer Handbook & Application, including Live Scan results received and cleared by administration and attending a volunteer induction meeting, by no later than January 14, 2019. We recommend having a Live Scan done as soon as possible if you don't already have one on file at TVCS. Parents are not required to be TVCS field trip drivers. All volunteer forms are located under the PARENTS tab of the school website (www.tvcscougars.com)
