Non-marking athletic shoes

Notes:

1. Please don't send things not on the list (no pencil boxes, large notebooks or trapper keepers please). We won't need them and we don't want them to become toys. They will be sent back home.
2. Please put your child's name on items (upper right hand corner of folders and spiral notebooks)
3. Have all packages opened but save the school box tops. Send those in a baggie. (for Arter dollars!)
4. Pre-sharpened pencils save a lot of time and distraction in class, please do that ahead of time. It's a great TV watching activity. I would recommend only sending a dozen at a time.
5. Supply items will not be shared in a community box unless they are found abandoned, without names.
6. **PLEASE** *If your child still does not know their multiplication facts, please learn them this summer. Without a solid grasp of those facts, they will have great difficulty doing 4th or 5th grade Math.*

Thanks. - Cami Arter
