'68 State Champ Burger

The '68 State Champ Burger is sure to be your new favorite burger and it can be yours on September 1!

The E. D. White Alumni Association is sponsoring September's "Burger of the Month" at the Alumni Grill in Thibodaux, with 20 percent of total burger sales being donated to school.

Fifty years ago, the 1968 Cardinals brought the first football championship ever to Thibodaux by defeating Homer 28-0 with an undefeated season. In honor of our state champs, the name was only fitting.
