### A Word from Mrs. Weeden

It was great to see everyone at our Open House/Title One Meeting! We have many upcoming activities this month that we are excited about! Please join us at the LPHS Football game on Friday, September 14! Our school will be recognized & invited to tour the new facilities! We also hope to see you at the Health & Safety Fair from 10:00 - 1:00 on Saturday, September 22 at LPHS. Be sure to sign in and check out the great booths & demonstrations!

During the month of September, our "Word of the Month" is Respect. At JRE we define "respect" as "treating others the way we want to be treated". All month we will talk about ways we can practice/exhibit respectful behavior daily. When students are "caught" being respectful they are given an ICU card to be placed in a drawing for a prize or they may choose to collect ten and enjoy lunch on the stage with a friend!

Ways to show RESPECT:

- Obey the golden rule: Treat others, as you want to be treated!
- Respect everyone at our school. Everyone has the right to be safe and to learn. Help make sure that happens by reminding others to be kind.
- Respect others, but also respect yourself. Give yourself credit for the good choices you do make and the talents you have.
- Respect the opinions of others, even if you disagree with them. We all have a right to our thoughts and opinions.
- Show respect for others and you will likely receive respect in return.

### Lunch Visitors

We will begin welcoming lunch visitors on Tuesday, September 11. Parents desiring to dine with their students at lunch must follow the day of the week assigned for students with the last name beginning with:

- Tuesday A-I
- Wednesday J-R
- Thursday S-Z

•You may bring outside food when coming to lunch with your student. There will be no lunch visitors on Mondays or Fridays.

### Attendance Matters - Roadrunners are here!

It is important that your student comes to school **EVERYDAY** unless they are ill. The attendance rate is important because **students are more likely to succeed in academics and social situations when they attend school consistently.** It's difficult for the teacher and the class to **build their skills and progress** if a large number of students are frequently absent. Everyday our attendance reaches 97%, we will celebrate by adding a letter to the statement "**Roadrunners are here!**" Once we spell this out, the entire school will earn **EXTRA RECESS!**
