

ATTENTION ALL BUS RIDERS

In order for our department to know who is riding our buses and/or in the event there were an accident/emergency we began implementing this policy two years ago. We found this to be beneficial for our department while keeping your children safe.

Beginning OCTOBER 15, 2018 ALL Intermediate/H.S. students must carry an I.D. Badge with a bus rider sticker (furnished by Transportation) on it to show the driver before boarding the school bus. This will also ensure a seat on the bus for the remainder of this school year.

Those who do not have this may be denied transportation services.

ALL Elementary levels will need a completed "Ridership" application only.

If you have any questions or concerns please call Transportation @ 338-6418

Thank you,

Cyndy Mitchell

Transportation Supervisor
