### **Positive Paw Program**

The goal of this school-wide program is to encourage all Middle School south students to frequently display the following six positive character traits:

- Trustworthiness
- Respect
- Responsibility
- Fairness
- Caring
- Citizenship

#### Procedures:

All employees at Howell Middle School South are encouraged to issue their monthly coupon to a student exhibiting one of the six positive character traits listed above. Every student receiving a coupon will be awarded a certificate of recognition. The Paws will be placed upon the correlating character-education pillars in the front entrance of the building. Students will be able to purchase selected items from the school cafeteria with their coupon. Additionally, each student who receives a Paw will be eligible to win a store gift certificate in our monthly raffle.
