

Meads Mill Counseling Minute

October, 2018

Meads Mill counselors are working to support our students, parents, and staff.

Homework Help:

Write in your planner: Writing in your student planner is a good way to track assignments and due dates.

Develop a plan: Decide what assignments need to be completed each night and when you will complete them. Try not to procrastinate, or assignments will start to pile up and the workload could become overwhelming.

More resources about “teaching students how to manage homework” can be found on our counseling website:

<https://meadsmill.northvilleschools.org/apps/pages/counseling>

Online Resources:

There are many online resources available to students at Meads Mill. We encourage our students to ask their teachers about what is available and utilize different sites. Some of these resources include:

Google Classroom	Moby Max
Big Ideas Math	musictheory.net
Khan Academy	Smartmusic.com
Prodigy Math Game	Study Jams!
Nystrom Atlas Online	Remind

Upcoming Dates to Remember:

October 10:

8th Grade – PSAT

October 23 & 25:

Parent-Teacher Conferences

Mrs. Kristine Bilbie-Bekius (A-K) bilbiekr@northvilleschools.org

Mr. Jack Wickens, Jr. (L-Z) wickenja@northvilleschools.org
