Educational Services**  
Beth Wodecki  
**Assistant Superintendent  
Secondary**  
Ryan Altemeyer  
**Associate Superintendent Business  
Services**  
Bijou S. Beltran  
**Assistant Superintendent Human  
Resources**  
Marci McFadden  
**Chief of Communications and  
Engagement**

### Principal's Message

Central Coast High School, which opened its doors on May 2, 1995, provides educational opportunities for students from Monterey, Del Rey Oaks, Seaside, and Marina who have fallen behind in credits, experienced personal difficulties, or who function more effectively in an alternative school setting. Through our individualized instruction, students can restore their ability to earn a high school diploma. In recognizing individual student needs, we offer personalized instruction, with a student to teacher ratio of 25 to one. Like the district's three comprehensive high schools, CCHS offers Career and Technical Education (CTE) classes, a counselor, individual counseling services, and a limited athletic program. The Credit Recovery program, implemented with well-designed computer software and project-based teacher led curricula, helps students gain enough credits to meet state standards for graduation and grade promotion. The class also offers one-on-one tutoring by the program teacher. Extended day classes in core subject areas are offered after school to help students earn high school credits.

#### **Mission:**

To provide a flexible setting for students with unique academic and social emotional needs. We encourage students to develop an enthusiasm for life-long learning and pursue a post-secondary education.

#### **Vision:**

Central Coast High School, where your past will not define your future.

At Central Coast High School we are very proud of our commitment to each student's needs regarding improved school attendance, increased academic performance, and renewed attitude for success. We continue to implement interventions for students who may need extra supports. Our main focus is on increasing graduation rates, reducing drop-out rates, and providing the needed instruction for all of our students to perform well on statewide assessments. The Central Coast High School staff is committed to improving our quality of teaching and learning.

Alan Crawford, Principal

#### **Major Achievements:**

Central Coast High School is currently continuing working to build on the progress after re-imagining our school with a focus on curriculum, CTE Pathways, positive school culture, and flexible scheduling. School discipline rates are down and positive climate measures are up. The school has created a highly innovative master schedule that is student focused and designed to bring about positive results. In 2017, Central Coast High School received a Model Continuation School Award from the California Department of Education.

### Focus for Improvement:

- Most of the students arriving at Central Coast High School are deficient in credits. Our focus for improvement is to help them gain those credits so they can graduate from high school. Many of those deficient credits are in courses required for graduation such as English, math, and science. To help students remedy the credit deficiency, all instruction is based on California State Content Standards.
- Students, teachers, and counselors plan academic strategies to help all students achieve high school graduation, progress at grade level, and realize their academic and career aspirations. Student progress reports are always available to parents, and conferences are easily scheduled with our office staff so that parents can be partners in their children's success.
- As a staff we have committed to implement the following, with a focus on student achievement:
- Implementation of professional learning communities within grade level courses
- Use instructional strategies that differentiate instruction for all students based on their needs
- Encourage increased parent involvement by providing parents information on school events
- Schedule monthly meetings with staff to collaborate and review student data
- Implementation of a school-wide behavior program (PBIS)

### About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

2017-18 Student Enrollment by Grade Level	
Grade Level	Number of Students
Grade 11	37
Grade 12	48
<b>Total Enrollment</b>	<b>85</b>

2017-18 Student Enrollment by Group	
Group	Percent of Total Enrollment
Black or African American	8.2
American Indian or Alaska Native	1.2
Asian	1.2
Filipino	1.2
Hispanic or Latino	70.6
Native Hawaiian or Pacific Islander	0.0
White	16.5
Socioeconomically Disadvantaged	87.1
English Learners	22.4
Students with Disabilities	11.8
Foster Youth	1.2

### A. Conditions of Learning

#### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials			
Central Coast High School	16-17	17-18	18-19
With Full Credential	12	9	7
Without Full Credential	0	1	1
Teaching Outside Subject Area of Competence	0	0	0
Monterey Peninsula Unified School District	16-17	17-18	18-19
With Full Credential	◆	◆	441
Without Full Credential	◆	◆	40
Teaching Outside Subject Area of Competence	◆	◆	0

Teacher Misassignments and Vacant Teacher Positions at this School			
Central Coast High School	16-17	17-18	18-19
Teachers of English Learners	0	0	0
Total Teacher Misassignments	0	0	0
Vacant Teacher Positions	0	1	0

\* Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

\*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

**Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)**

Monterey Peninsula Unified School District held a public hearing on August 2018, and determined that the school had sufficient and good quality textbooks and instructional materials, pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information collected in August 2018 about the quality, currency, and availability of the California Common Core standards-aligned textbooks and other instructional materials used at the school.

<b>Textbooks and Instructional Materials</b>	
<b>Year and month in which data were collected: August 2018</b>

Note: Cells with N/A values do not require data.

### School Facility Conditions and Planned Improvements (Most Recent Year)

In 2010, the Monterey Peninsula Unified School District overwhelmingly approved Measure P, a \$110 million locally-controlled school bond measure to fund the first phase of critical repairs and improvement to our local schools. The district's newest school was built in 1965, more than 50 years ago, and our Facilities Needs Assessment has identified over \$680 million in critical repairs to all MPUSD schools. Recently, in 2018, voters approved Measure I, a \$213 million school facilities bond by 70%.

In 2019, the district is working with stakeholders to prioritize its facilities projects. Visit [www.mpusd.net](http://www.mpusd.net) for additional details.

More facts about the condition of our school buildings are available in an online supplement to this report called for by the Williams legislation of 2004. What you will find is an assessment of more than a dozen aspects of our buildings: their structural integrity, electrical systems, heating and ventilation systems, and more. The important purpose of this assessment is to determine if our buildings and grounds are safe and in good repair. If anything needs to be repaired, this assessment identifies it and targets a date by which we commit to make those repairs. The guidelines for this assessment were written by the Office of Public School Construction (OPSC) and were brought about by the Williams legislation. You can look at the six-page Facilities Inspection Tool used for the assessment on the Web site of the OPSC.

School Facility Good Repair Status (Most Recent Year)		
Year and month in which data were collected: June 2018		
System Inspected	Repair Status	Repair Needed and Action Taken or Planned
<b>Systems:</b> Gas Leaks, Mechanical/HVAC, Sewer	Good	
<b>Interior:</b> Interior Surfaces	Fair	
<b>Cleanliness:</b> Overall Cleanliness, Pest/ Vermin Infestation	Good	
<b>Electrical:</b> Electrical	Good	
<b>Restrooms/Fountains:</b> Restrooms, Sinks/ Fountains	Good	
<b>Safety:</b> Fire Safety, Hazardous Materials	Good	
<b>Structural:</b> Structural Damage, Roofs	Good	
<b>External:</b> Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	
<b>Overall Rating</b>	<b>Good</b>	

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2017-18 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
ELA	6.0	10.0	38.0	39.0	48.0	50.0
Math	2.0	4.0	27.0	27.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

School Year 2017-18 CAASPP Assessment Results - English Language Arts (ELA) Disaggregated by Student Groups, Grades Three through Eight and Eleven				
Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	53	51	96.23	9.80
Male	38	37	97.37	10.81
Female	15	14	93.33	7.14
Black or African American	--	--	--	--
American Indian or Alaska Native	--	--	--	--
Hispanic or Latino	43	41	95.35	4.88
White	--	--	--	--
Two or More Races	--	--	--	--
Socioeconomically Disadvantaged	44	42	95.45	7.14
English Learners	26	24	92.31	0.00
Students with Disabilities	--	--	--	--
Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students						
Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
Science	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

School Year 2017-18 CAASPP Assessment Results - Mathematics Disaggregated by Student Groups, Grades Three through Eight and Eleven				
Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	53	52	98.11	3.85
Male	38	37	97.37	5.41
Female	15	15	100	0
Black or African American	--	--	--	--
American Indian or Alaska Native	--	--	--	--
Hispanic or Latino	43	42	97.67	2.38
White	--	--	--	--
Two or More Races	--	--	--	--
Socioeconomically Disadvantaged	44	43	97.73	2.33
English Learners	26	25	96.15	0
Students with Disabilities	--	--	--	--
Foster Youth	--	--	--	--

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

### Opportunities for Parental Involvement (School Year 2018-19)

Parental involvement remains an area of growth at Central Coast High School. In the last year, we have increased communication efforts to parents and guardians using ParentSquare, our system that generates messages of events and upcoming meetings. Our counselor is the main contact for parent involvement. During this year we will meet regularly with parents to discuss graduation progress and also post secondary education options available to our students. Our school also hosts a back to school night, conferences, and an open house to encourage parents to attend the school and communicate with staff. We have seen a significant increase in parent engagement during the 2018-19 school year. Lastly, CCHS will work closely with our School Site Council which includes parent/guardian representation.

### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### School Safety Plan

The safety and well being of students and staff are high priorities for the Monterey Peninsula Unified School District and this school. Under Senate Bill 187, every school in the district is required to complete (or review and update) a School Safety Plan by March 1 of each year. The plan is reviewed and evaluated by the School Safety Planning Committee, the School Site Council, and the school principal before being presented to the Board of Education for final review and adoption. The approved plans are posted on each school's website, as well as the district website at [www.mpsud.net](http://www.mpsud.net).

Highlight's of this school's plan are detailed below.

Central Coast High School employs one campus supervisor who along with other staff supervise the students during arrivals and departures, breaks, lunch periods, and passing periods. We believe that a well-monitored environment maintains security and student safety. Central Coast is a closed campus; students may not leave during the school day without permission.

Our campus safety plan and School Crisis Intervention plan are on file and both are readily available to the public and parents in the main office. Each year our management team, staff and parents review the plans and make any necessary updates. The plan was last updated in the fall of 2018. Staff and students review and conduct a variety of safety drills including fire, earthquake and lock-down drills. These drills take place on a frequent basis throughout the year. At the beginning of each academic year, staff are trained on each type of emergency and all classrooms contain a file with emergency procedures guidelines, evacuation maps and student rosters. Moreover, our school is focusing on a gradual implementation of the ALICE safety protocols that is happening district-wide.

All visitors must check into the main office where they provide a signature and obtain a visitors pass.

Suspensions and Expulsions			
School	2015-16	2016-17	2017-18
Suspensions Rate	8.3	15.6	6.3
Expulsions Rate	0.0	0.0	0.0
District	2015-16	2016-17	2017-18
Suspensions Rate	4.5	3.6	3.2
Expulsions Rate	0.0	0.0	0.0
State	2015-16	2016-17	2017-18
Suspensions Rate	3.7	3.7	3.5
Expulsions Rate	0.1	0.1	0.1

#### D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Academic Counselors and Other Support Staff at this School	
Number of Full-Time Equivalent (FTE)	
Academic Counselor	1.0
Counselor (Social/Behavioral or Career Development)	1.0
Library Media Teacher (Librarian)	
Library Media Services Staff (Paraprofessional)	
Psychologist	1.0
Social Worker	
Nurse	
Speech/Language/Hearing Specialist	
Resource Specialist (non-teaching)	1.0
Other	1.0
Average Number of Students per Staff Member	
Academic Counselor	174

\* One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Average Class Size and Class Size Distribution (Secondary)												
Subject	Average Class Size			Number of Classrooms*								
				1-22			23-32			33+		
	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18
English	9.0	7.0	9.0	14	12	14						
Mathematics	11.0	5.0	13.0	6	10	7						
Science	12.0	7.0	8.0	4	7	8						
Social Science	11.0	9.0	10.0	9	11	11						

\* Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

### Professional Development provided for Teachers

Through structured meetings and professional development, our site works with teachers to improve their teaching skills and to extend their knowledge of the subjects they teach. The site also works in collaboration with the district's Implementation of the Instructional Framework Implementation Tool (IFIT). Each quarter we provide two to three professional development sessions on the instructional focus for that quarter. This year, we have focused on Student Engagement, Language and Learning Objectives, and the Gradual Release of Responsibility. There are various opportunities provided by our school district for professional development during the academic year. The school administration supports the ongoing focus of professional development through ongoing coaching cycles with instructors on campus.

FY 2016-17 Teacher and Administrative Salaries		
Category	District Amount	State Average for Districts In Same Category
Beginning Teacher Salary	\$44,875	\$47,547
Mid-Range Teacher Salary	\$65,733	\$74,775
Highest Teacher Salary	\$97,355	\$93,651
Average Principal Salary (ES)	\$100,517	\$116,377
Average Principal Salary (MS)	\$104,946	\$122,978
Average Principal Salary (HS)	\$114,217	\$135,565
Superintendent Salary	\$206,150	\$222,853
Percent of District Budget		
Teacher Salaries	34.0	35.0
Administrative Salaries	7.0	6.0

\* For detailed information on salaries, see the CDE Certificated Salaries & Benefits webpage at [www.cde.ca.gov/ds/fd/cs/](http://www.cde.ca.gov/ds/fd/cs/).

FY 2016-17 Expenditures Per Pupil and School Site Teacher Salaries				
Level	Expenditures Per Pupil			Average Teacher Salary
	Total	Restricted	Unrestricted	
School Site	\$13,827	\$113	\$13,714	\$66,241
District	◆	◆	\$8,489	\$68,002
State	◆	◆	\$7,125	\$76,522
Percent Difference: School Site/District			47.1	-2.6
Percent Difference: School Site/ State			63.2	-14.4

\* Cells with ◆ do not require data.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

### Types of Services Funded

A majority of funding reported as districtwide costs is expended for school level expenditures, therefore the results appear to be lower operating costs at the school site level.

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)			
Central Coast High School	2014-15	2015-16	2016-17
Dropout Rate	6.3	16.7	17.4
Graduation Rate	87.5	83.3	71.7
Monterey Peninsula Unified School	2014-15	2015-16	2016-17
Dropout Rate	3.8	3.9	4.4
Graduation Rate	92.8	93.8	88.4
California	2014-15	2015-16	2016-17
Dropout Rate	10.7	9.7	9.1
Graduation Rate	82.3	83.8	82.7

Career Technical Education Participation	
Measure	CTE Program Participation
Number of pupils participating in CTE	66
% of pupils completing a CTE program and earning a high school diploma	39.3%
% of CTE courses sequenced or articulated between the school and institutions of postsecondary education	75%

Courses for University of California (UC) and/or California State University (CSU) Admission	
UC/CSU Course Measure	Percent
2017-18 Students Enrolled in Courses Required for UC/CSU Admission	95.3
2016-17 Graduates Who Completed All Courses Required for UC/CSU Admission	0.0

\* Where there are student course enrollments.

2017-18 Advanced Placement Courses		
Subject	Number of AP Courses Offered*	Percent of Students In AP Courses
Computer Science	0	◆
English	0	◆
Fine and Performing Arts	0	◆
Foreign Language	0	◆
Mathematics	0	◆
Science	0	◆
Social Science	0	◆
All courses	0	.0

Completion of High School Graduation Requirements			
Group	Graduating Class of 2017		
	School	District	State
All Students	76.2	88.9	88.7
Black or African American	0.0	85.2	82.2
American Indian or Alaska Native	0.0	100.0	82.8
Asian	0.0	91.7	94.9
Filipino	100.0	97.1	93.5
Hispanic or Latino	59.3	86.0	86.5
Native Hawaiian/Pacific Islander	0.0	90.5	88.6
White	100.0	92.9	92.1
Two or More Races	100.0	94.3	91.2
Socioeconomically Disadvantaged	86.2	90.6	88.6
English Learners	50.0	57.4	56.7
Students with Disabilities	100.0	73.0	67.1
Foster Youth	0.0	50.0	74.1

### Career Technical Education Programs

We have three high quality CTE pathways on campus and are extremely proud of what we have accomplished. One is our Health Services Pathway with a focus on patient care. We also have a Hospitality, Tourism, and Recreation pathway with an emphasis on Culinary arts and a Public Safety Pathway. To address the needs of all students, we have aligned our pathway with local job force needs and work hard to ensure student participation is aligned with students' long term career goals.

Moreover, by collaborating with our local community college, we are able to provide our students guidance about college options. Each spring, we have counselors from Monterey Peninsula college who come to our campus where they meet with our students to facilitate the application process for the community college and also to ensure that student are aware of financial aid options.

Given the recent development of these programs, we are still developing appropriate metrics for success. These programs are completely integrated with our academic courses and aligned with our academic goal of deepening student literacy across the whole campus. We are working closely with our district CTE coordinator Lisa Glick who is our primary representative and are currently building our advisory committees.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
