Fee & Cost Deferral Form for Families Effected by the Government Shutdown

Student Name: _____

Date of Birth: _____

My family has been financially effected by the government shutdown since the parent(s) or guardian(s) of the above student is either a federal employee or federal contractor.

I wish to apply for deferral of currently unpaid and/or new student fees/costs for the above student retroactive to the commencement of the government shutdown on December 22, 2018. I understand that I will not be reimbursed for payments already made since the date of the government shutdown.

I wish to defer the following costs/fees (check all that apply):

- _____ School lunch and snacks
- _____ School trips
- _____ Test fees
- _____ Sports/clubs participation
- _____ College application and transcript fees (limit \$200 per student)

I understand that Mainland Regional High School will send me an itemized bill after the government has been reopened. I understand that it is my responsibility to reimburse Mainland Regional High School for all costs and fees deferred. All fees and costs must be repaid in full to Mainland Regional High School within sixty (60) days of the end of the government shutdown.

My agreement to the foregoing, by signing this form, is a prerequisite for deferral:

My Signature _____

Print My Name _____

Print Address _____

Relationship to Student _____

Date _____

After this form has been completed, please submit to Michele Stamatopoulos in the Main Office or scan and email it to mstamatopoulos@mainlandregional.net.
