

# Panther Post

November 2018

## *Principal's Message.....*

Wow! What a magnificent Halloween Parade and creatively decorated pumpkins on display. A huge thanks to the PTA for sponsoring the pumpkins and contest! November marks the beginning of our 2<sup>nd</sup> trimester. Parent conferences are over and report cards go home soon, but make sure to remain in constant communication with teachers to ensure your child is succeeding to the best of their ability. November is a month of thanks so I would like to take this time to thank all of you for making Park such a wonderful place to work. All of us working together is what truly makes Park a special place!  
Warm Regards, Dr. Molina-Solis

## *Ms. Lily's Corner.....*

Please encourage your children to join our mindfulness lessons in the Panther Spaw. It is a great place to destress and relax, open on Mondays and Fridays during lunch recess. Ms. Lily is also hosting a series of classroom lessons on friendship, caring for oneself and healthy relationships.

## *Special Projects Office.....*

We have teamed with CSULA and are offering Writing Classes to our 1-2<sup>nd</sup> grade students. Thus far, we have received positive reports from the students, teachers and parents. We hope to continue offering these lessons as well as expand the offerings. We will keep you posted.

Don't forget, we have homework club every day! If your child needs extra help, it is open during recess daily!

## *Student of the Month.....*

For November, teachers will be looking for students who are Trustworthy. Students can demonstrate trustworthiness by being reliable, responsible, accountable for their actions, and resourceful. Usually, trustworthy people are consistent with what they say and do, being the same at home, school and yard. Discuss these traits with your children and see how you can develop this trait at home.

## *PTA - Save the Date*

In January, PTA will be hosting their biggest fundraiser of the year... the Jog a Thon. As you see family for the holidays, please ask them to support you when the event arrives! Thank you!

## *Upcoming Events.....*
