February 6, 2019

Dear Parents/Guardians:

On Wednesday, February 20, 2019, all freshmen and sophomores will participate in the Pre ACT and all juniors will take the ACT. Seniors will not be taking the ACT Test, and will be in the auditorium to participate in grade level activities from 8:00am - 12:10pm.

For our freshmen and sophomores, the PreACT simulates the ACT testing experience within a shorter test window on all four ACT test subjects: English, Math, Reading, and Science.

For juniors, the ACT with writing is a curriculum-based test that covers learning content for all students based on their academic strengths in core subjects. Your child's score report will help determine his or her academic readiness for college.

Please review the special schedules that pertain to your child for that day, as students will be released from school after completing the assessment.
