

Dear Band members and Parents:

Today begins our annual fundraiser. The band program will appreciate any help you can give it.

We have three types of fundraisers to choose from. You may choose to participate in all three, two or only one.

1. **Sponsorship:** This is great for those that would rather contribute 100% of their money to the band program. This fundraiser begins today and continues through the rest of the school year.
2. **Wesco Popcorn Buckets:** The Wesco buckets can be refilled until December 31, 2019. They are good for 15 months. Students may pick up buckets at any time and continue until we run out of buckets. A bucket costs \$12.00.
3. **Gourmet Popcorn from Cravings Gourmet Popcorn & Soda Market**
These order forms and money are due back on September 17, 2018.

Goal: My goal is to have every student sell a combination of 10 gourmet bags or Wesco buckets or popcorn. \$50.00 of sponsors would equal the goal of 10. If the band can sell 1,000 bags we will make \$5,000.00.

Prize: If a band member reaches our goal then he/she may choose a Wesco Bucket or a bag of Gourmet Popcorn.

Money: Make sure money is turned in with all order forms. Make checks payable to **Lakeview Community Schools.**

The band will be using your money for the following:

- ❑ Rewards days
- ❑ Uniform updates
- ❑ Band room equipment updates
- ❑ School instrument updates
- ❑ Color Guard and Drum Major updates
- ❑ Awards
- ❑ Music
- ❑ Band supplies
- ❑ Student assistance

Thank you for your continued support.
