DENIS ROUSSELLE

Superintendent

March 16, 2020

Dear Plaquemines Parish School District Community,

Today I met with the school principals, teachers, and most staff members around the district. Over the next two days, teachers will be sending messages to parents and/or students in regards to the lessons and resources available. It is important that students complete the assignments provided by the teachers. If you have any questions in regards to assignments or work, please contact the teacher or school principal.

### School Offices and Visitors

To minimize the spread of germs, school officials will respond to questions and concerns through email and phones. The school offices are expected open on Monday, April 20, 2020. Registration for new students will also resume upon the opening of school. The school principals will be sending further information regarding the hours of operation. Please refer to the Plaquemines Parish School Board website ([ppsb.org](http://ppsb.org)) for school phone numbers and email addresses.

### Food Service

The Food Service Department will provide a **grab-and-go** breakfast and lunch at no cost. The scheduled times at all schools (excluding Plaquemines Learning Center) will be 8:30 -10:00 a.m. for breakfast and 11:30 a.m. -1:30 p.m. for lunch.

Schools will be closed until April 9, 2020 by proclamation of Governor Edwards. Schools will remain closed through April 17, 2020 for Spring Break. **Students will return to school on Monday, April 20, 2020.** Please continue to monitor the school board website ([ppsb.org](http://ppsb.org)). Thank you for helping us to keep the children and our community safe and well. If you have any questions, please contact your child's school.

Sincerely,

Denis Rousselle, Ed. S.  
Superintendent
