

LISA Academy **A**lternative **M**ethods of Instruction Plan

In the event that LISA Academy schools need to close due to exceptional or emergency circumstances such as a contagious disease outbreak, inclement weather, utility outage, or other acts of God, LISA Academy may determine that the days will be addressed as **AMI** days. On these Alternative Methods of Instruction days, as approved by the Arkansas Department of Education, students will be given assigned work to complete at home in lieu of a make-up day being added to the school year. If a day is designated as an **AMI** school day, students may access the required instructional content by logging into the students' Google Classroom accounts and entering the **AMI** classrooms. Notification regarding school cancellations will be communicated on the school website, through local television stations, email and automated phone messages.
