

Private and Parochial School Transportation Information

If your child will be attending a private or parochial school in September 2018, you must request transportation for your child no later than **April 1, 2018**. The Board policy requires that those students attending private or parochial school come in to the transfer point (the high school) on the first bus of the morning and transfer to their respective buses for transportation to the parochial or private school if the opening time permits. However, if transportation from your home can be arranged we will attempt to do so. Please fill in all the information. If you have any questions regarding this policy, please call the Transportation Office at (315) 536-2622.
