

Adult Residential Services
Without Walls Program
FUNDriveTM
savers | value village
ddi Developmental Disabilities Institute

To raise funds for community programming, our Adult Residential Services Without Walls Program held a Savers FUNDrive throughout the month of June. Thanks to the generous donations of DDI staff, residences, and families, the program managed to collect over 2,000 pounds of clothing and household items.

Together, we collected more than 1 TON of goods! The successful collection raised approximately \$400 for our Without Walls Program!

There are 43 individuals participating in the Without Walls Program, and the funds raised will be used for paying professional instructors (i.e., Zumba, yoga, art classes), purchasing supplies, and may also be used for acquiring a space in the community to hold classes/events/etc.

This initiative not only benefits the individuals we support but also helps the environment by keeping unwanted items out of landfills.

Thank you to everyone who supported this amazing project.
